Carmine Conti, State Director

PROPOSAL TO ESTABLISH A 2 YEAR HOST ROTATION OF THE STATE JUNIOR AND SENIOR SOFTBALL AND BASEBALL TOURNAMENTS

The State Committee recommends that the State junior and senior baseball and softball tournaments be hosted on a two year rotation basis beginning in 2022.

- Currently these State tournaments are on a one year host rotation but due to the limited participation in these divisions, it has been difficult to identify, in a timely matter, the host for these tournaments. The State committee recently discussed this problem and recommends the following:
 - a.) The elimination of the current rotation plans for these divisions.
 - b.) Applications to host will be submitted by the fall meeting of the State Association.
 - c.) Applications/submissions will be made every two years.
 - d.) In the event of multiple applications/submissions the State Committee will make the final site selection.

Pros:

Eliminates the difficulty in timely identifying the host location for these divisions of play.

Con:

N/A
