

# Prince William County School Information Release for Virginia Scholastic Rowing Association (VASRA) Master Eligibility List Consent Form

The Virginia Scholastic Rowing Association (VASRA) requires schools to submit a master eligibility list that includes the following student information: first and last name, date of birth, current grade level, enrollment in the participating school, gender, and verification of athletic eligibility. VASRA will use this information to verify the eligibility of the team members and of the team as a whole to participate in their events. The Federal Family Educational Rights and Privacy Act and state confidentiality laws require PWCS to obtain your written consent before it releases some of this information to VASRA. You can provide your consent by completing this form. If you don't wish to have your child's information released to VASRA, your child will not be eligible to participate in VASRA events but may participate in other aspects of the PWCS rowing program.
