

Parent Code of Conduct

Parents play an essential role in the development of a soccer player. In that spirit, your conduct at practices and games is every bit as important as the conduct of our players. Please read the Parent Code of Conduct below and sign at the bottom.

I will set a good example to for my child in her development to a by adhering at all times to the following:

I will not criticize the referee openly or directly, during or after games. Any criticism shall be done in writing and sent to my coach or club representative.

I will give only positive feedback to players. We will cheer at all games and do our best to cheer the effort regardless of the outcome.

I shall show good sportsmanship during and after each game.

I will have our child ready and on time for practices and games. We will contact our coach ahead of time if this is not possible.

I will show patience with our players as they continue to learn the game.

I will leave the coaching to the coach during games and practices. I will not give our child instructions during the game.

I understand that improper behavior at a game may result in a parent being asked to leave the field by the referee or a club official so the coach does not receive a yellow card caution or a red card ejection due to the action of the parent spectator.

I understand club officials can, and will if necessary, suspend privilege to watch our child play should we behave in a manner that is rude or otherwise offensive.

I agree to support all the children on the team no matter the score.

I acknowledge that I have read, understand, and agree to abide by this code of conduct.
