RE: 2024 Season Sponsorship Request

North Bothell Little League (NBLL) was established in 1995 as a league within National Little League District 8 and operates according to Little League rules and guidelines. NBLL serves the North Bothell community, with most participants living within the 98012 and 98021 zip codes.

As members of the NBLL organization, we feel that Little League is a great program for our area youth and we are doing our absolute best to grow and improve our program, which is now the home for more than 500 boys and girls playing baseball and softball between the ages of 4 -18. NBLL also offers a Challenger division for intellectually and/or physically challenged individuals between the ages of 4 - 99.

Our focus continues to be creating a fun and exciting environment for our players to learn and play the games of baseball and softball. NBLL has established a core list of values for our league: Champion Positivity, Show Respect and Sportsmanship, Embrace Learning, Build Community and Encourage Mastery and Competition. You can learn more about each of these values by visiting our website at NBLL.club.

Each year, little leagues around the country develop revenue plans to help raise money to support league operation. With another commitment of league sponsorship, your donation will help support equipment, field rentals and scholarships for our community. Your company logo or individual name will be placed onto the sponsorship page of our website with links to your own page, and we will include a social media post for the 2024 Little League season with appreciation of your generosity. You will also have an opportunity to host a booth at our 2024 Fundraiser Day! Can we count on you to support North Bothell Little League with sponsorship for the upcoming season?

On behalf of NBLL, I sincerely thank you and your company as you consider continuing your sponsorship for another season. If you have any questions, please contact me at kristen.wiley@comcast.net.

Kind regards,

Kristen Wiley
