2025 SPONSORSHIP FORM

North Bothell Little League (NBLL) is a 501-C3 non-profit organization (Tax ID No. 91-1696264) which operates successfully with donor support and sponsorships from our community. Little League is an instrumental program within our community and NBLL is committed to preserving a supportive and caring environment for all of our families and volunteers.

Your sponsorship will help support equipment needs, field rentals, team sweatshirts for all players, as well as provide scholarships for families in need. Your company logo, with website link, or individual name will be placed onto the sponsorship page of our NBLL website (www.nbll.club), NBLL will also post a simple Social Media post for being a 2025 NBLL Sponsor and your business or name will be placed on to a collective NBLL Sponsors Banner to be displayed at the annual NBLL Fundraiser Day. Additional benefits with added exposure increases depending on the sponsorship tier chosen. With the four sponsorship tiers NBLL offers, we hope there is a program that fits your budget.

NBLL would not be successful without the support from local businesses and individuals within our community. Your generous donation makes a direct impact on the families of North Bothell, and we are incredibly thankful for your partnership.
