Dear Community Partner,

The Dalles Little League is now preparing for the 2023 Little League season and we hope we can count on your support this season! It is with the help of generous sponsors that we are able to continue to provide young athletes with a Little League experience. The objective of The Dalles Little League is to implant firmly in the children of the community the ideals of good sportsmanship, honesty, loyalty, courage and respect for authority, so that they may be well adjusted, stronger and happier children and will grow to be good, decent, healthy and trustworthy citizens. Sponsorship of The Dalles Little League must be, for the sponsor, out of a sense of duty to help the community. While sponsorship does afford some benefits (detailed below), the higher purpose is to help TDLL instill the values of teamwork, sportsmanship, and fair play so that the children may someday use these values in becoming good citizens. We hope to partner with you in supporting the youth of our community. We have several projects to complete at the complex again this season and we're excited to announce we have expanded TDLL boundaries to the western bank of the John Day River and to South Wasco County. We are honored to include these communities in our regular season and tournament season this year!
