## Agenda

- Thursday night there was an incident between the Majors Marlins and Phillies. Several parties were at fault.
  - Josh several times tried to influence the umpires – it was a youth umpire. At one point Doug and Nick were done with it and stormed the youth umpire.
  - John C. as a board member told Josh that it was against the LL rules to challenge a youth umpire
  - Josh amped his parents up by mocking the Marlins. Both sets of parents became very heated.
  - Chris B – is the Phillies assistant coach and he was not in attendance at the game.
  - Josh did not assign a game coordinator as the home manager. It is the responsibility of the home manager to assign a game coordinator if an adult umpire is not present.
  - Hand shake after the game – kids and adults were inappropriate
- Disciplinary committee met – District 31 informed us if one is suspended, all of the coaches/managers have to be suspended.
  - Disciplinary committee reviewed the video as well as District 31 rep – PNLL suspended all 3 managers
- All star manager selection
  - Nick has stepped down from the All star manager position
  - Roberta believes one incident is not enough to remove him from the All star
  - 2 options to vote on
    - Remove him all together
    - Allow him to be an assist coach

- John Carlson suggested if we appoint two coaches with two kids, that was not fair. Josh told John – you are friends with Bret Tomko and we have bad blood.
  - Anthony or Doug for All star coach –
  - Doug – 8
  - Anthony – 3
  - 12 approved to have Nick be assistant if he is chosen by Doug
- Josh Green – was very upset with the consequences – did not feel like he has done anything wrong. He sent very inappropriate emails to the Phillies team parents about Jenn. He resigned this morning from the board.
- No decisions are Jenn's, these are from District 31
- Mark heard of parents making threats – what would be next steps
- Roberta is indicating we will need to sign a code of conduct next year for all parents
- Everyone is ok with John working on the majors playoff schedules.
- We will host 11u all Star and Escondido will host 10u - Fathers day for a month and a half – Steve is opposed
- For playoffs – we need board members to be a game coordinator for Minor A and Minor B
