Approval of last meeting minutes approved

1. Recap of Allstar season;

12 u advanced to state Tournament in Rockland, finished State runner up, many compliments and support from other teams, umpires and host District, The Players and families represented the City of Biddeford in good light. The families received \$350/family, from the fundraising completed prior to the State Tournament, many families declined the money so the additional \$1200 from the league was not needed

10u advanced to the Championship game, playing hard and represented Biddeford well, Looking forward to working hard towards improving and practicing hard to advance over the next couple of years.

For future : host fields, would be nice to have parking that is free, and a fence,
