### **All star update from coaches:**

Sean for Minors- Great season, tons of support, girls had fun, made it to the championship game.

Randy for Majors- Made it to the championship game undefeated, Loss to Massebesic but they were a great team. Great wins against Saco, Wells and then Kennebunk. Kennebunk game one to remember. They all worked hard and had a lot of fun.

**Board Vacancies** (All positions are open to anyone every season) Below who wants to return/running for position.

President- Randy Forcier

Vice President- Vacant

Secretary- Kristen Perreault

Treasurer- Christine Morin

Field Manager- Matt Rossinol

Equipment Manager- Vacant

Player Agent- Mike Ramunno

Canteen Director- Kim Cochran

League Scheduler- Karen Ramunno

Sponsorship/Fundraising- Sean O'Keefe

Randy will send an email out to the community about board positions being open and voting for all positions will take place at September's meeting.

Vice president taking the clinic role away from responsibility, adding umpire and chief roles to Vice President. Clinics will be the responsibility as a board collectively.

Need to add these changes somewhere in our bylaws that way when new members join they aren't surprised by their roles.

Formal orientation for coaches. Field, Canteen, etc.. Put a binder together, add to the wish list.

End of season Field Day. Going to wait until the fall. The field is being used and it is nice for the banners to be up. Will schedule at the next meeting.

**Treasurer's Report Christine-** \$21,252.12 in bank in all accounts will have the breakdown at the next meeting.

**Equipment Ashley:** Still waiting on some equipment from a couple of people and a lot of uniforms were never returned. Need to go through the pod and Kristen said we can store what we need to in the baseball equipment room until the canteen is done.

Randy is going to reach out to all the coaches to remind them we need that stuff back.

#### **Field:**

Leaving potta potties up since we still have things going on at the field. They have not been locked up. Tractor has not been working for a while. The battery is dead but it is a new battery. Someone must have left the key on. Kim will have the potta potties removed when summer ball is done. Biddeford painting has been paying for the potta potties so we will have to get them a check for reimbursement.

#### **Canteen:**

Could not do a slab because of the grade and the trees near the canteen. A backwall foundation had to be done. Getting done the right way. Blu ladder moved so they will not be doing the framing. Miter will be doing the framing and Bobby Zuke will be doing the roof. Donovan for overhead garage. Will find out when framing will start. The city will dig this fall. Mike McKenny Foundations did the foundations.

#### **Sponsorships:**

Great year for sponsorships. Calendars need to jump on it earlier to get more things on it. Calendar sponsorship person, we can pay to have them done. The person buys the prizes and puts the calendars together and sends them to us. Cheer does them. Will come back to them at another time.

#### **Wish List:**

Got a lot accomplished with this last year. Would like to keep it going.

\*Add to it would be creating expectations for all positions for people to go to.

\*Maybe fine tune the Bylaws to simplify it. Hard to read.

\*New Score board- Baseball had it donated and sponsors on the score boards.

\*Fencing being fixed around the field

\*Ump equipment for every team.

Can not have a different website per Little League International

Upload meeting minutes to the website. Kristen will work on.

**Next Meeting:** September, Sunday 7th 6:00pm at Brown Dog Carriers
