---

## Budget: (Kelly Chernowski)

Budget was not discussed during this meeting. See below for information about uniforms, and team meals.

---

## 2020 Season Update: (Coach Feddersen)

GHSA and CCSD have canceled/closed all events/tryouts/practices and so on through the end of May. Tryout for school sports must occur during the school year. This means that if there is a High School volleyball season, try-outs will not happen until school resumes. We are optimistic about the fall and the opportunity to play volleyball, but it is important to be prepared for any changes to what was originally planned.

As of today, Junior (Middle School) Wildcat try-outs and other events should still happen as previously planned.

Procedures until we're back

- weekly calls, other communication (social media, GroupMe, etc.)
- fitness expectations-posted on the website, social media, and e-mail
- film study, positional & system tutorials
- leadership, challenges, etc.

**\*Interested players should continue to monitor the Website, Social Media and e-mail to get the latest updates on the volleyball season.**

**\*All sports physicals will need to be undated by August 2020 for the Fall 2020 season. Physicals completed during the 2019-20 school year will not be accepted.**

---

## Camp: (Coach Feddersen)

Junior (Middle School – Tue-Wed, June 16-17, 1:00pm-5:00pm, Wheeler Arena, \$125- Coach Feddersen reminded parents and players that **any** middle school girl can attend the camp, and that it is not exclusive to girls on the middle school team. **(This is still scheduled at this time.)**

The Emory camp has been canceled by Emory

---

## Fundraising: (Lisa Simpson)

The updates to our fundraising plans include the possibility of a car wash at Wheeler during pre-planning in July. Loreen Sluben will be sending

---

---

updating information about this fundraiser. The Pura Vida bracelets (WHS colors) have been ordered and the girls should be able to begin selling them when school starts back. We are also interested in doing a Butterbraids fundraiser which was a very successful fundraiser for the Wildcat Juniors during the Fall 2019 season. Our opportunities for Spirit Nights include Liberty Pizza and possible Righteous 'Que and Zaxby's. Finally, we are looking at using the Snap! Raise fundraiser again this year since some of our other fundraising opportunities will be limited.

A survey about the fundraisers will follow to determine participant interest.

- Any fundraising done during the summer break months will be done by the returning high school players.

---

**Wheeler Junior Wildcats:** Junior Camp:  
Tue-Wed, June 16-17, 1:00pm-5:00pm, \$125 / player  
Wheeler Arena

Junior Tryouts:  
Sat, Aug 1, 9:00am-2:00pm, \$250 / player  
Wheeler Arena

Commitment is 12-2 after the tryouts. There will still be an A and a B team

\*At this time the Junior Wildcat information remains the same.

---

**Uniforms (Kelly C.)** Following try-outs and commitment, uniforms and other needed items will be ordered ASAP. At this time turnaround should be a couple of weeks. If it take longer than that, we can make it work with what we have.

---

**Team Meals (pre-game)** Healthy and player choice food will be provided this year for pre-game food. The plan is to have a Sign-up Genius for parents to donate different foods for each game. The players will then have a sack lunch style meal with items such as lunch meat, fruit, vegetables, and so on. Theresa Crowe will be surveying the players to find out their favorite foods, allergies, and so on. More updates will follow.

- 
- Additional notes: Caroline Gustafson has offered to continue to launder the uniforms after each game.
