

Extra Innings Fall Ball 2023

Extra Innings Fall Ball is open to all players who played or were eligible to play at the 10, 11, 12 or 13 year old level this season. We will have two separate leagues again this Fall. One will be for the 10 and 11 year old age group and the other will be for the 12 and 13 year old age group.

The season will consist of two games on Sundays at the Town of Holland fields on September 10, 17, 24 and October 1. If we need to have make up dates due to poor weather, that may occur on one of those Saturdays or on October 8. Game times will be established once we know how many teams there are at each level but we would anticipate starting around 11 am or Noon.

The cost is \$90 for a player to participate. You may only sign up as an individual player. After all registrations are received, players will be divided into equal teams by the Extra Innings Fall Ball board with input from area coaches. We will be splitting the kids onto teams trying to make sure the kids play with kids from other teams and organizations that they normally play against during the summer. Obviously, there will be some kids on teams with kids they played with the past summer but we will try to mix them up as much as possible.

Registrations must be returned by August 10, 2023. **Register early as space is limited to the first 52 players in each age group.** Teams will be formed shortly after August 10. They can be sent in to Extra Innings Fall Ball, PO Box 50, Holmen, WI 54636. Checks may be made out to Extra Innings Baseball.
