Local Rules and Guidelines

I. Manager/Coaches Expectations

Rincon Little League (RLL) is committed to providing a positive, safe learning environment for our players. Managers and coaches must be positive in the handling of their players. First, Rincon Little League is committed to the safety of our ball players. Managers and coaches are expected to adhere to these expectations and 2024 Little League Rules without fail. Not understanding or a lack of knowledge of all rules, regulations and expectations could result in disciplinary action from the Rincon Little League Board up to and including removal of managers and coaches from the league.

A. Who can I call?

Rincon has multiple volunteers in the position of Coaching Coordinator and Player Agent to provide any direction or assistance needed.

Please contact your division's Player Agent if you are having issues with a player. Please relay to your parents that if they have an issue with their child that their point of contact is also the Player Agent.

If you are having issues that you need help with as a coach, the Coaching Coordinator is your first point of contact and only they should be contacted. If there is a problem the coaching coordinator cannot handle, they will ensure that the correct person is notified of the issue, or a proper answer is found and relayed to you as the coach.

Please contact any of the following for answers to questions about player movement, managing your team, coaching skills, practice management, game management, communication with families, etc.

B. Safety

1. Any and all player injuries during games or at practices that result in the player's inability to continue to participate must be reported to the Safety Officer, Robbie Dupre at 520-820-8488 or via email at safety@rincon12.org.
 - a. If the Safety Officer is not immediately available, email the Rincon Little League at information@rincon12.org.
 - b. Little League's Accident Claim Form must be completed and filed with Little League. You can find the claim form on Little League's website at

<https://www.littleleague.org/university/articles/how-to-submit-an-accident-insurance-claim/>.

2. A player will not be allowed to play if injured, unable to pass concussion protocol, in pain and not able to throw, catch, run, or swing normally. This decision will be made by the Park Boss in coordination with the Umpire in Chief (UIC) and/or Safety Officer.
3. Scrimmage games are allowed only against other Rincon Little League teams at the same level of play. There will be NO SCRIMMAGES AGAINST TEAMS FROM OUTSIDE OF RINCON LITTLE LEAGUE as it is not covered by Little League Insurance and puts the league at risk of losing our charter.
4. Practices shall be held only on fields scheduled and approved by Rincon Little League.
5. No noise makers will be allowed at the game sites.

C. Managers and Coaches Conduct

1. Managers need to keep in mind (and remind players' parents) that umpires, coaches, and managers are volunteers. Any unsportsmanlike conduct by managers and/or parents will be met with disciplinary action including but not limited to ejection from the game resulting in removal from the game site. Managers will conduct themselves with professionalism when addressing umpires, other coaches, volunteers, parents, and fans. This will include but is not limited to the following:
 - a. No comments or questions for the umpire will be expressed from the dugout or coaches' boxes. **Rule 9.02 (a)**
 - b. Any umpire's decision which involves a judgment call, such as, but not limited to, whether a batted ball is fair or foul, whether a pitch is a strike or a ball, or whether a runner is safe or out, is final. No player, manager, coach, or substitute shall object to any such judgment calls.
 - c. Questions/appeals will be addressed in a professional tone and volume after time-out is called and granted by the umpire. Only the manager from each team is able to request permission to question a call or appeal to the umpire. The best approach is to speak in such a way as to keep your conversation on the field between the team's manager and the umpire. **Rule 9.02 (b)**
 - d. If there is reasonable doubt that any umpire's decision may be in conflict with the rules, the manager may appeal the decision and ask that a correct ruling be made. Such appeal shall be made only to the umpire who made the protested decision.
2. Managers and coaches ejected from a game must leave the game site for the remainder of the game. In addition (at a minimum) the manager or coach may not be in attendance at the team's next physically played game. At the RLL President's sole discretion, any offense deemed "flagrant" might require the manager to attend a meeting of the board to discuss the manager's actions before he or she is allowed to continue with the team. **(See Rules 4.07 & 9.05 below)**
3. **Rule 4.07** - When a manager, coach, or player is ejected from a game, they shall leave the field immediately and take no further part in the game. They may NOT sit in the stands and may NOT be recalled. A manager or coach ejected from a game must not be present at the site for the remainder of that game. Any manager, coach, or player ejected from a game is suspended for his or her team's next physically played game and may not be in attendance at the game site. This includes pregame and postgame activities.

4. **Rule 9.05** - The umpire shall report to the RLL President within 24 hours after the end of a game all violation of rules and other incidents worthy of comment, including the disqualification of any manager, coach, or player, and the reasons thereof.
 - a. When any manager, coach, or player is disqualified for a flagrant offense such as the use of obscene or indecent language, or an assault upon an umpire, manager, coach, or player, the umpire shall forward full particulars to the RLL President within 24 hours after the end of the game.
 - b. After receiving the umpire's report that manager, coach, or player has been disqualified, the RLL President shall require such manager, coach or player to appear before at least three members of the RLL Board of Directors to explain their conduct. In the case of a player, the manager shall appear with the player in the capacity of an advisor. The members of the Board present at the meeting shall impose such a penalty as they feel justified.
 - c. NOTE: The Board may impose such penalties that it feels warranted, but may not lessen the requirements of **Rule 4.0**
 - d. NOTE: RLL expects that all will treat our volunteer umpires with dignity and respect. Our league is fortunate to have youth volunteers to umpire games. Rincon expects these youth and adult volunteer umpires to be treated with the utmost courtesy and respect. Behavior that is disrespectful towards umpires by any manager, coach or fan is subject to disciplinary action from the RLL Board, regardless of whether or not the umpire chooses to take action during the game.
5. Managers and Coaches are expected to know and follow **Rule 9.02**, with no exceptions.
 - a. NOTE: **Rule 9.02(b)** above indicates that only the manager may discuss a call with the umpire that made the call (or the Umpire-in-Chief (UIC)) if the umpire who made the call is a youth volunteer umpire) and request an appeal.
6. Little League requires that all games be umpired by at least one (1) adult and that adult is designated as the UIC. Youth umpires cannot umpire games without an adult umpire (16 or older) on the field or approval from the UIC.
7. Majors players (ages 11-12) are allowed to umpire the bases for AAA games and behind the plate on AA games.
8. AAA player (ages 10-11) are allowed to umpire the bases for AA games.

D. Umpiring

1. There will be a mandatory managers/umpire clinic. Coaches unable to make the mandatory meeting will need to email the UIC within 24 hours to arrange for the necessary training.
2. There will be one (1) umpiring clinic scheduled by the UIC for all managers to attend in order to properly manage a team in Rincon Little League in accordance with the Local Rules. It is recommended that all managers attend this UIC-scheduled umpiring clinic, and lack of attendance can negatively affect a manager's eligibility for managing teams by Rincon Little League.

3. Managers are required to umpire games. Managers are responsible for finding alternative umpires for their games due to conflicts in schedules. The UIC will have a sign-in sheet available at the Snack Shack for umpires to keep track of the required games they are assigned. Coaching Coordinators for each level can assist if there are scheduling conflicts.
4. **Rule 9.00 (b)** - Each Umpire is the representative for Rincon Little League and of Little League International, and is authorized and required to enforce all of the rules. Each umpire has the authority to order a player, coach, manager, or league officer to do or refrain from doing anything, which affects the administering of these rules, and to enforce the prescribed penalties.

E. Player Conduct

1. Players ejected from a game must leave the game site for the remainder of the game. In addition (at a minimum), the player may not attend the team's next physically played game. At the RLL President's discretion, any offense deemed "flagrant" might require the player and the player's parent(s), accompanied by the team's manager, to attend a meeting of the board to discuss the player's actions before the player is reinstated to the team. **(See rules 4.07 & 9.05)**
2. All players are required to wear the uniform provided by Rincon Little League during games.

F. Parent Conduct

1. Parents should seek to provide a positive experience for the players, reinforce good sportsmanship and respect umpire decisions.
2. Arguing a call on the field, or behavior that is detrimental to the positive culture of Little League Baseball may result in ejection of a parent by the umpire or a member of the Board of Directors. This includes, but is not limited to:
 - a. Negatively shouting at the umpire, coaches, players, or other parents
 - b. Any physical confrontation or threats of violence
 - c. Use of profanity or language inappropriate for children
 - d. Any behavior deemed detrimental to the positive culture of the league
3. When a parent is ejected from a game, they shall leave the field immediately and take no further part in the game. They may NOT sit in the stands and may NOT return. **A parent ejected from a game must not be present at the site for the remainder of that game.** Any parent ejected from a game is suspended for his or her team's next two (2) physically played games and may not be in attendance at the game site. This includes pregame and postgame activities. A parent should not leave their child unattended and should remove their child from the game if necessary.

G. Pre-Game Warm-up

If taking infield/outfield warm up on the infield, the following procedures are to be used:

1. The visiting team shall take the field 25 minutes prior to the game for infield/outfield practice. Visiting team shall stop 15 minutes prior to game time.

2. The home team shall take the field 15 minutes prior to the game. If the visiting team is late taking the field, the home team shall still take the field 15 minutes prior to the game.
3. The home plate conference shall take place 5 minutes prior to the game time.
4. In the event the preceding game ends less than 30 minutes prior to the next game, the visiting team shall take the field immediately after the preceding game is completed and shall take 5 minutes or one-half of the time remaining minus 5 minutes (for the plate conference) until the scheduled game time, whichever is greater. The home team follows with an identical warm-up period.
 - a. Example: The preceding game ends at 1:40 and your game is scheduled for 2:00. The visiting team takes the field at 1:40 and has 7.5 minutes (1:40 to 2:00 is 20 minutes minus 5 minutes for the plate conference is 15 minutes divided equally). If the preceding game ends at 1:50, each team gets 5 minutes, there is a 5-minute plate conference, and the game starts at 2:05

H. Purple Heart Park Ground Rules

Field 1

1. Extend backstop lines parallel with the field infinitely to indicate out of play boundaries.
2. Out of play will be any ball that goes to the outside of these lines, which have been extended, from the backstop. This will stop any continued play if the ball goes outside of these lines. This is a safety concern and must be enforced.

Field 2

1. Extend backstop lines parallel with the field infinitely to indicate out of play.
2. Out of play will be any ball that goes to the outside of these lines, which have been extended, from the backstop. This will stop any continued play if the ball goes outside of these lines. This is a safety concern and must be enforced.
3. If a batted fair ball goes out of play, a ground rule double will be the ruling.

Field 3

1. Extend backstop lines parallel with the field infinitely to indicate out of play.
2. Out of play will be any ball that goes to the outside of these lines, which have been extended, from the backstop. This will stop any continued play if the ball goes outside of these lines. This is a safety concern and must be enforced.
3. If a batted fair ball goes out of play, a ground rule double will be the ruling.

Field 4

Due to Field 4 being fully enclosed, the rules around backstop lines being extended and their associated Out Of Play criteria are not applicable for games played on this field.

I. All-Stars

All Star Teams

1. The Rincon Little League Board of Directors will determine which baseball teams to be fielded in the April Board meeting. The Board of Directors will also determine the order in which the teams are

drafted. Other teams including softball etc. will be evaluated each year based on interest and player availability.

2. Teams include: 12U Baseball (10-11-12) 11U Baseball (9-10-11) 10U Baseball (8-9-10)

All Star Manager Selection

1. All managers and coaches will apply specifically for an All Star position. The Executive Board, Majors Player Agent and Majors Coaching Coordinator will meet and put forth recommendations for full board approval.
2. The manager will then present two (2) coaches to the Board for approval. The manager and coaches shall be in good standing with Rincon Little League and demonstrate the qualities and attributes fitting of a representative of the league. The Manager will name his two choices for coaches by the end of the managers meeting.

All Star Eligible Players

1. Complete details about player eligibility for All Stars from Little League International can be found in the Little League Green Book under Tournament Rules and Guidelines, as well as online at <https://www.littleleague.org/downloads/tournament-rules-baseball/>
2. All Star selections will be made from all eligible and available Majors players and/or the best available Minors players.
3. The Minors Player Agent (AAA) will gather information on eligibility and availability, and will survey the Minors Division managers for recommendations. That information will be presented to the All Star Manager for a decision to fill the roster.

Player Selection Process

1. Every eligible and available player is placed on a Players Ballot. The Players Ballots are to be administered by the Majors Player Agent under the direction of the Executive Board; all data will be available to the executive board who will establish the timeline for balloting.
2. Each Majors player will have the opportunity to cast five (5) votes. Players can vote for themselves and others on their own team. These votes will be gathered and the information available for the All Star Selection Meeting. If any one player is found to receive a vote on every player ballot, that player is an All Star.
3. The Majors Managers All Star Selection Meeting is held at or near the end of the league tournament. The Majors Managers will work together to select the remaining All Stars from the eligible and available players. The President of the league, with the help of the Majors Player Agent and the Secretary, will conduct this meeting. Managers will cast votes and a player will become an All Star when all managers, minus one, vote in favor of a player. Example: 7 out of the 8 managers, 5 out of the 6 managers, etc., will need to vote in favor of a player for them to be added to an All Stars team.

Player Removal Process

Players may be removed from an All-Star team for:

1. Frequently missing practices, including if a vacation is planned that would require the player to miss a substantial amount of time.
2. Poor parental behavior.

3. Playing for other teams during the All-Star period.

The Executive Board of Directors will ultimately make the decision for or against removal, not the coaches alone. If the Executive Board determines that a player needs to be removed from the team, they will also determine if a replacement player is necessary.

3. Players missing five (5) consecutive games for reasons other than injury will be removed from the team's roster.
 - a. In the Majors Division, the player will be replaced on the roster (*See Player Moves from AAA to Majors*)
 - b. Within the AA and AAA divisions, rosters will be maintained during the season so that the size of any one (1) team is not two (2) or more players greater than any other team in the division. This can include moving players from another division or moving players within teams of the same division at the discretion of the Player Agent.
 - c. When there are two (2) weeks to go in the regular season, the pool player requirement will be waived. For the remainder of the regular season and postseason play, that team will play one player down unless the injured player returns.
 - d. For issues not covered by these rules and special circumstances such as multiple injured players on the same team, etc. – a special session of the Executive Board to include the Player Agent and Coaching Coordinator for the division will be convened to discuss and resolve the issue.

D. Player Movement Procedures

Player Moves from AAA to Majors

1. The Majors Manager immediately notifies the Majors Player Agent that a player was lost.
2. The Majors Manager CANNOT notify or talk to the new potential player or the player's parents until the Player Agents officially make the move.

3. The Majors Player agent contacts the player to verify they are leaving or cannot play and the reason why.
4. The Minors Player Agent will provide a list indicating five (5) candidates from which the Majors Manager may choose. The list of players will be based upon player evaluations before the Majors draft and performance/evaluation throughout the season. The Majors Manager informs the Player Agent which of these players he has identified. This is to be done within three (3) days of learning of the loss. The Player Agent verifies the player's eligibility and informs the player's parents of the potential move. The Player Agent will provide them with the Majors Manager's contact information.
5. The Minors Player Agent informs the Majors Manager that the player has been notified and provides the player's information, making the move official.
6. The Player Agent notifies the AAA Manager that this player is no longer on their team.
7. The Player Agent completes a roster amendment for each team affected and communicates this information to the Board of Directors.

Player Moves from AA and AAA

The process for Managers to replace players within the Minors division is identical to AAA to Majors, but only the Minors Player Agent(s) must be involved.

Player Moves from A and AA

The process for Managers to replace players within the Minors division is identical to AAA to Majors, but only the Minors Player Agent(s) must be involved.

Player Refusal to Move

Refusal of the player to comply with the move could result in their forfeiture of future eligibility in the Majors division for the rest of the season. In the case where a player refuses to move up to the next division, such player will be placed on a different team in their same division by the Player Agent. This decision will be based on the number of players on rosters in the division and team need. *See Regulation III (b) of the Little League Green Book for reference.* <https://www.littleleague.org/playing-rules/rules-regulations-policies/>

Manager Coach Replacements & Roster Amendments

1. The Manager or Coach notifies the appropriate Minors or Majors Player Agent and Coaching Coordinator there is a coaching change.
2. The President and Board of Directors approve changes involving Managers and Coaches since this involves adult volunteers.
3. After the Manager or Coach change is approved by the Board of Directors, the Player Agent and Coaching Coordinator processes a roster change.

Player Movement Policy or Coach Replacement Violations

The Manager shall be referred to the Board of Directors for possible suspension.

E.T-Ball

Objective

Above all else, Rincon Little League expects each player to have a safe and enjoyable learning experience. The emphasis in T-Ball is placed on developing a basic understanding of the game. This is a non-competitive program. A players' ability should never be compared to each other. Positive reinforcement is necessary at this level. Managers should work together during games with the goal of providing the best possible learning environment.

1. Rincon Little League policy regarding playing time and positions is clear. At the T-Ball level, a safety ball is used, which has greatly reduced the potential for serious injury; therefore, each player should have the opportunity to play each position equally. Each manager is expected to develop a rotation based on the six (6) infield positions, which will give each player the same opportunity to play each position equally if they attend the games and practices. This is not for a game-by-game basis, but for the season. The ability to catch and throw is not the deciding factor in T-Ball -- the opportunity to develop and grow, and to be exposed to each position is.
2. Base coaches should notify defensive coaches when an unsafe situation exists. Defensive coaches should be aware that they may be notified of this situation from time to time by the offensive coaches and should not take offense to this.
3. Managers should resist physically moving the players, but instruct them where to stand so they are not in the base path.
4. Please contact the Coaching Coordinator(s) for help with how to get the most out of practice and game experiences, as well as tips on how to better manage for a successful season.

Game Preparation

The home team is responsible for the following:

1. Complete field preparation 30 minutes prior to the scheduled game start or ASAP.
2. For T-Ball, field preparation will include a chalk semi-circle drawn 15 feet from home plate. The arc will be drawn foul-line to foul-line. If you have not been trained in field preparation, please ask your Coaching Coordinator to demonstrate proper field preparation.
 - a. NOTE: Any delays will affect field warm-up times accordingly and remaining time shall be split between teams equally.
3. Home team will provide game balls. Game balls will be provided to managers prior to the start of the season via Rincon Little League.

The Visiting team is responsible for the following:

1. The visiting team will handle field clean up after the game. If there is a game to follow immediately after the just concluded game, the visiting team must work with the home team of the game to assist in getting the field ready for play.

For both teams, it is the responsibility of the manager that the team cleans the dugout before leaving.

Any team found not to be completing their field maintenance duties will be issued a warning by the Park Boss on first violation. Upon the second violation for failure to complete field maintenance duties, the Manager will be suspended for one (1) game.

Guidelines

1. Adherence to these guidelines is considered during the managerial grading and selection process.
2. Games will be played in an instructional format.
3. Managers should warn the defensive team when strong batters are at bat to minimize the possibility of injury
4. Keep records so that you track players by position played during the season to ensure that he/she has played all positions equally as the rest of the team. Players will be encouraged to play their positions.

F. A-Ball (Coach Pitch)

Objective

The main focus of the managers, coaches and parents in the A-Ball (Coach Pitch) division is to teach the fundamental skills of baseball and provide all the players with an opportunity to learn all positions, good sportsmanship, and the rules of the game in a safe, positive and fun environment. Base coaches should notify defensive coaches when an unsafe situation exists. Defensive coaches should be aware that they may be notified of this situation from time to time by the offensive coaches and should not take offense to this. Managers should resist physically moving the players, but instruct them where to stand so they are not in the base path.

Please contact the Coaching Coordinator(s) for help with how to get the most out of practice and game experiences as well as tips on how to better manage for a successful season.

Game Preparation

The home team is responsible for the following:

1. Complete field preparation 30 minutes prior to the scheduled game start or ASAP. If you have not been trained in field preparation, please ask your Coaching Coordinator to demonstrate proper field preparation.

2. Home team will provide game balls. Game balls will be provided to one of the managers from Rincon Little League prior to the start of the game.

The visiting team is responsible for field clean up after the game.

1. If there is a game to follow immediately after the just concluded game, the visiting team must work with the home team of the game to assist in getting the field ready for play.

Any team found not to be completing their field maintenance duties will be issued a warning by the Park Boss on first violation. Upon the second violation for failure to complete field maintenance duties, the Manager will be suspended for one (1) game.

For both teams, it is the responsibility of the manager that the team cleans the dugout before leaving.

Guidelines

1. Adherence to these guidelines is considered during the managerial grading and selection process.
2. Games shall be played in an instructional format.
3. Winning games is not the goal.
4. Official scores of the games and the team's win-loss record shall not be kept.

Failure to sign off on the pitch count will be considered a violation.
 - i. Note: The first violation of these pitching rules will result in a one game suspension of the team's manager/coach. The most frequent type of obstruction in Little League is defenders standing on a base when there is no play to be made. For example, a First baseman standing on 1st on a batted ball in the left field corner obstructing the runner's ability to get to second.

Rule 7.08a (3-4)

The runner must slide or avoid the fielder waiting with the ball. "The runner is out when the runner does not stop, slide, or attempt to get around a fielder who has the ball and is waiting to make the tag." A runner is also out if he/she slides headfirst while advancing.

Rule 8.03

When a pitcher takes a position at the beginning of an inning, the pitcher shall be permitted to pitch eight warm up pitches, or one minute, whichever comes first. In a six inning game, there are 11 side changes. If each side change takes an extra two minutes beyond the one minute allowed in the rules, 22 minutes of game time (and innings) are lost.

Any umpire's decision which involves judgment, such as, but not limited to, fair/foul, ball/strike, a runner being safe/out, is final. No player, manager, coach or substitute shall object to any such judgment decisions.

Rule 9.02 (b)

If there is reasonable doubt that any umpire's decision may be in conflict with the rules, the manager may appeal the decision and ask that a correct ruling be made. Such appeal shall be made only to the umpire who made the protested decision.

Note: that only the manager may appeal an umpire's decision. The Umpire-in-Chief must consult with the Youth Umpire before rendering a decision

Any unsportsmanlike conduct by managers and/or parents will be met with disciplinary action including but not limited to ejection from the game resulting in removal from the game site. Managers will conduct themselves with professionalism when addressing umpires, other coaches, volunteers, parents, and fans. This will include but is not limited to the following:
6. No comments or questions for the umpire will be expressed from the dugout or coaches' boxes. Rule 9.02 (a)
7. Any umpire's decision which involves a judgment call, such as, but not limited to, whether a batted ball is fair or foul, whether a pitch is a strike or a ball, or whether a runner is safe or out, is final. No player, manager, coach, or substitute shall object to any such judgment calls.
8. Questions/appeals will be addressed in a professional tone and volume after time-out is called and granted by the umpire. Only the manager from each team is able to request permission to question a call or appeal to the umpire. The best approach is to speak in such a way as to keep your conversation on the field between the team's manager and the umpire.
9. Rule 9.02 (b)
10. If there is reasonable doubt that any umpire's decision may be in conflict with the rules, the manager may appeal the decision and ask that a correct ruling be made. Such appeal shall be made only to the umpire who made the pretested decision.
11. Managers and coaches ejected from a game must leave the game site for the remainder of the game. In addition (at a minimum) the manager or coach may not attend at the team's next physically played game. At the RLL President's discretion, any offense deemed "flagrant" might require the manager to attend a meeting of the board to discuss the manager's actions before he or she is allowed to continue with the team. (See rules 4.07 & 9.05)
12. Youth volunteer umpires will be treated with the utmost respect and courtesy (See note below). f. Managers and Coaches are expected to know and follow Rule 9.02 no exceptions.
 - a. Note: Rincon expects that all will treat our volunteer umpires with dignity and respect. Our League is fortunate to have youth volunteers to umpire games. Rincon expects these youth Volunteer Umpires to be treated with extra courtesy and respect. Behavior that is disrespectful towards umpires by any Manager, Coach or fan is subject to disciplinary action from the Rincon Board, regardless of whether or not the umpire chooses to take action during the game.
13. Please note that Rule 9.02(b) above indicates that only the Manager may discuss a call with the umpire that made the call (or the Umpire-in-Chief (UIC) if the umpire who made the call is a youth Volunteer Umpire) and request an appeal.)
14. Little League requires that all games be umpired by at least (1) Adult and that adult is designated as the UIC. Youth umpires cannot umpire games without an adult umpire (16 or older) on the field or approval from UIC.

C. Fall Ball National

Objective

Although this is the more competitive division, the focus of the managers, coaches and parents should still be fundamental skills, good sportsmanship, and the rules of the game in a safe and positive environment. All players should have the opportunity to learn all positions. This is also an opportunity for pitchers to be trained and developed. Winning should not be a priority, as training and development should.

Game Preparation
