Dear Sponsor,

Atwater Little League is a non-profit organization chartered under our parent organization Little League Baseball, Inc. Atwater Little League had over six hundred youths from Atwater and surrounding communities participate in our program last year. We are a volunteer-based organization dedicated to providing a positive learning environment for the kids of our community. Our goal is to teach and instill in the players discipline, teamwork, and good sportsmanship so that they may someday use these values in becoming good citizens.

Atwater Little League would like to invite you to be a part of our exceptional local youth program. Business sponsors are a major funding source for our program. Donated funds help us keep our fields maintained during season, pay our umpires, purchase needed equipment, expenses for our All-Star Teams and more. We continue to need the support of businesses like you, in our community, to keep our program successful. Please remember donations are tax deductible.

**Team Sponsor:**
