2016 THIESS AWARD NOMINATION

Nominations for the 2016 Thiess Appreciation Award recognizing volunteers who have made a special contribution to our club will be accepted until **June 15th**. E-mail appreciation@salinesoccer.org with your nomination.

What is the Thiess award? For almost 25 year, Bill Thiess worked tirelessly for the good of youth soccer in Saline and the state of Michigan. While most widely known as a premiere coach, he was also active as a referee, and behind the scenes serving as officer and board member.

Saline Area Soccer Association depends on the generous contribution of many volunteers who serve the club in important roles, such as coach, referee, team parent, team manager, and board member. This award recognizes those efforts.

Message from Knox Cameron

Director of Coaching, Saline Area Soccer Association

Dear Saline Area Soccer Parents,

I would like to thank everyone for the love, support and encouragement as Natalie and I became first time parents. We are looking forward to some of the wonderful things that parenthood has to offer—many sleepless nights, constant worrying and of course, the dreaded diaper changes. I now have a deeper appreciation for all parents and the passion you exhibit for your children.

We have had a wonderful season thus far, and I am looking forward to us closing out strongly. Our players have shown tremendous growth since the beginning of the Fall, and this is in large part to the quality coaches both in the Travel and Rec programs. I firmly believe that the key to improvement involves a couple simple but crucial elements: hard work and good coaching. We are very fortunate to have the level of coaching within the program, and we will ensure this remains central to our offering.

There are a few staffing changes as we look towards the 2016/17 season. Coaches Stephen Moriarty and Ryan Williams will be departing the program. Coach Stephen has decided to pursue opportunities closer to home, as family considerations were central to his decision to move on from the club. Stephen has been a valuable addition to the staff and has done a remarkable job in motivating and pushing his players beyond their perceived limits. Coach Ryan will be pursuing greater coaching opportunities with the Saline High School soccer program. He has been a very loyal and reliable member of our staff and has improved every team he's coached since joining the club. Please help me thank coach Stephen and Ryan for their outstanding service to the club and best wishes as they move forward with their careers.

It gives me great pleasure to announce that both coach Leigh Rumbold and Kevin Taylor have been promoted to the role of Technical Directors. Coach Leigh will be responsible for curriculum development and oversight of all teams in the 7v7 field layout. Coach Kevin will have the same responsibilities for all teams in the 9v9 field layout. I have relied heavily on these two coaches and will continue to do so as we work towards our goal of being the best developmental club in the State. Please help me congratulate both coaches on this recent appointment.

Thanks again for your commitment and support of the club. All the best.
