## Message from Knox Cameron, Director of Coaching and Player Development

Dear Saline FC Families,

As many of you know, I formerly announced my retirement from playing soccer during the recent Saline Showcase match. Although the weather forecast altered our halftime plans, it was still great to hear a number of our teams get recognized for their wonderful accomplishments during the Fall season. I would like to thank all of our Saline FC families for coming out to support the event and specifically AFC Ann Arbor. Along with our trainings and gameplay, the AFC Ann Arbor games is a great opportunity for our players to watch high level matches throughout the Summer. I really encourage all of us to take advantage of these opportunities to learn and grow.
