Message from Doug Schantz, President

Dear Saline FC Families,

Welcome to spring soccer! On behalf of the Board of Directors of Saline Soccer, I hope that your practices and games so far have been fun for our players and that you've had the chance to meet and enjoy the company of other families in our club.

I'm happy that our season has begun! Once again, I'm coaching U8 Girls Rec with my youngest son Dan, my friend Alex and my son's friend Nolan. We combine into a two-team practice and have a blast teaching the girls soccer every week; our games last week had some good successes too.

Saline FC depends heavily on volunteers, coaches, assistant coaches, team managers, field set-up and a volunteer Board of Directors. We always need help with our work and encourage you to join in. I am continually grateful for everyone who pulls together, both our volunteers and paid staff, to make Saline FC's rec and travel programs successful.

As I remind our families at the start of each season, we're all here for our children and not for ourselves. Players will take risks, make mistakes and lose games. Our referees, many of whom are our neighbors' kids, will miss a call or make a decision with which we may not agree. Both may miss our helpful spectator coaching (such as "get 'em!") and refereeing suggestions. As important as these may all seem to you in the moment, in the grand scheme of things, your reaction is the only thing that will truly matter.

Message from Doug Schantz, President continued...

If you're tempted to make yourself heard in anything other than a compliment or cheer, please consider that, with your own child or someone else's, you may be contributing to the decline in youth referees or making the game less fun. Chew a piece of gum, take a sip of coffee, eat a donut, but just let it go.

Finally, I wish you a great season! I hope your player progresses in their soccer skills and has a great time being a part of their team and I look forward to seeing you out on the field!

Doug Schantz
President, Saline Area Soccer Association
