

Dear Parent/Guardian,

On behalf of the Board of Directors of M & M Youth Soccer Association (MMYSA), we would like to welcome you and your child to the 2026 soccer season. We hope that you will support your child's participation in our program by attending the games and giving positive encouragement to your child throughout the season. In addition, we request your help and cooperation in seeing that your child attends practices and games that have been scheduled for his/her team as much as possible – communicate with your coach(es) if you cannot attend. Please remember that all coaches are volunteers. Thank you! We look forward to another fun soccer season!

League Information: Remember your first source of information should be your child's coach. Any other questions, may be directed to the division representative (see list below). For additional information, message boards are located at each field and also by visiting our website at www.mmysa.org. Please refer to our Facebook MMYSA – soccer info or our website mmysa.org to receive important soccer messages.

Schedules and Team Assignment: You will be contacted by your child's coach after the draft is complete (by April 1st). **The schedules for games, practices, and picture time will be given to you by your child's coach.** Practices may begin May 1st. (practice dates/times/locations are up to the coach). Pictures are the week of May 18-21, 2026 at River Cities Pool in the gym.
