

Dear Parent,

On behalf of the Board of Directors of M & M Youth Soccer Association (MMYSA), we would like to welcome you and your child to the 2024 soccer season. We hope that you will support your child's participation in our program by attending the games and giving positive encouragement to your child throughout the season. In addition, we request your help and cooperation in seeing that your child attends practices and games that have been scheduled for his/her team as much as possible – communicate with your coach(es) if you cannot attend practice/game. Please remember that all coaches are volunteers. Thank you and we look forward to another fun soccer season!
