

# **HYR 2025 Fall T-Shirt Pictures: NO THEME**

In some recent seasons, we have had players draw the team shirt artwork, and the results have been amazing! Also, in some other seasons we have printed shirts for more teams than we needed. For example, when we did a theme of kids' books, we did not use the "Stellaluna" shirts. When we did a theme of Myths, we did not use "Poseidon", etc. In the fall of 2025, we have a bunch of shirts from previous seasons, a bunch of new drawings by current players, and some new artwork from Sunny Podbelsek, who draws a lot of our fun designs.

**So, the theme for this season is...**

**RANDOM**

**Enjoy**
