

HYR Field Hockey Referee schedule for March 29 through April 26 2026

We have reviewed the availability submitted by the HYR Field Hockey Referees. We have attempted to give everyone who was available approximately the same number of shifts for the season. Below is the schedule for the Spring Season. For each date, the time is 2:30 PM to 4:30 PM at Highland Middle School.

If you are on the schedule and cannot make a date in advance, please contact Patrick (hyr@hcmloouisville.org) several days in advance so we can find a replacement. Thank you.
