

HYR Basketball/Futsal Equipment List

Each HYR player will receive...

A basketball or futsal jersey

The team names are selected by a survey each season. All team names are unique, although some colors are repeated.

Many sponsors pay for logos on the HYR shirts. (To sponsor a shirt, email hyr@hcmloouisville.org.)

All HYR Futsal AND Basketball players should provide their own...

Indoor court shoes

For younger kids, they will be happy in many kinds of sneakers. As kids get older and more athletic, a more specific basketball or futsal shoe will improve safety, comfort, and performance.

Soccer Clothes (and Jewelry)

Soccer shorts or long pants should be made of soft stretchy material that does not contain zippers or rivets. Players should remove all jewelry before the start of a game. Players with earring studs that cannot be removed should cover the entire stud with a soft adhesive bandage (especially the pointed back part.)

All HYR Futsal players should also provide their own...

Soccer Socks

Soccer socks should come up to just below a player's knees. At HYR, there are not matching uniforms other than the shirt, so the color is a personal choice. It is a long standing tradition to wear unmatched or really funky socks. Please let your freak flag fly!

Soccer Shin Guards

Shin guards can be either completely under the sock or a sleeve that goes over the sock, but they must be worn by all players, and they need to be securely in place.

Optional

Basketball or Futsal Ball

HYR Provides basketballs and futsal balls for practices and games. Basketball division 1 uses a 25" circumference ball, divisions 2 and 3 use a 27.5, and division 4 uses a 28.5".
Futsal divisions 1 and 2 use a size 3 futsal ball. Futsal divisions 3 and 4 use size 4 futsal ball.
