

Thank you for your support of Mount Sentinel Little League. The purpose of our little league is to implant firmly in the children of the community the ideals of good sportsmanship, honesty, loyalty, courage and respect for authority through competition, so that they can be well adjusted, stronger and happier children who will grow to be good, decent, healthy and trustworthy citizens. The vision of Mount Sentinel Little League is to secure its future by enlisting responsible, compassionate, and dedicated volunteers who will always put the needs of the children first. This vision includes a solid economic structure that will enable Mount Sentinel Little League to continue to strive as a self-sustaining organization that will always be affordable for the 350+ children, ages 5-16, who choose to participate.

We have several sponsorship opportunities to support our league. Sponsorships provide funds for uniforms, safety equipment, scholarships and maintenance of the complex. Our league would not be what it is today without your continued support.
