

Idaho District 2 Inter-League Rules
Softball Juniors/Seniors Division
2021 Season

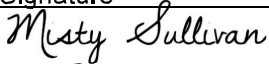

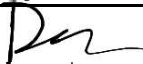

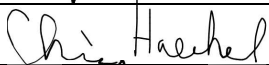

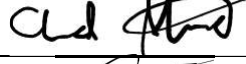

All teams shall follow the rules as set forth in the current Little League Softball Official Regulations and Playing Rules, with the following options/exceptions/additions.

1. Home team shall occupy the third base side of the field and visitors will occupy the first base side. The home team will provide the scorebook and scorekeeper for the management of the game.
2. Each team will furnish a minimum of one (1) District Certified Umpire for all inter-league games. The home team should provide the plate umpire. If only one umpire shows up a manager, coach or parent (if District Certified) may umpire in the field. If more than two umpires are available, one shall be designated Umpire-in-Chief and the other umpires shall be field umpires [Rule 9.03(b)]. **It is highly recommended that each team have their coaching staff District Certified in cases where umpires may be unavailable.**
3. Prior to the start of the game, the home team shall provide two (2) new balls to the home plate umpire. This division uses yellow softballs of 12" in circumference (as defined in the current Little League Softball Official Regulations and Playing rules). No marking aside from factory lettering is allowed on the balls. The plate umpire may require additional balls during the game and select the best used balls for the teams.
4. The Host team is responsible for preparing and setting up the field, to include chalking forty-five minutes prior to game time. Player safety is essential and therefore it is mandatory that field prep include loosening then smoothing the dirt around 2nd and 3rd base and home plate (if on dirt field).
5. Weekday games will begin promptly at 6:15pm
6. As a courtesy, during times of severe inclement weather it is requested that playing conditions be reviewed and games cancelled by 4pm, or two hours prior on non-weekday games, to save teams from traveling to a site that is unplayable.
7. The entire District will comprise the Inter-League.
8. Each manager will be provided with a list of managers' names, phone numbers and e-mail addresses.
9. Thrown bat and physical contact policy as defined by District 2 Policy will be enforced.
10. No pitching affidavit is needed.
11. If after four (4) innings, one team has at least a lead of 15 runs or more, or if after five (5) innings, one team has at least a lead of 10 runs or more, the manager of the team with the least runs must concede.
12. This Division will adopt continuous batting order at this level. [Rule 4.04]
13. Time Limit: No new inning will begin after two hours from the scheduled game time.
14. This division will adopt the reduced minimum play rule for rosters of 15 or more. [Reg IV(i)]
15. When a team has only eight players in the game this division will not assess an out when the missing ninth batter position comes up to bat. [Rule 4.04]
16. This division will adopt the courtesy runner for pitcher/catcher with two outs. The courtesy runner must be the last previous out. [Rule 7.14(b)]
17. We encourage every team to have more than one pitcher and one catcher.
18. If in the junior division, 15 year olds **WILL NOT** be allowed to pitch. [Reg 1(a), note 3]

19. If in the senior division, 12 year olds will be allowed if assessed eligible. [Reg 1(a), note 4]

20. On deck circles are allowed, but must be in front of your team's dugout.
