FIELD UPGRADES + UPDATES

We're excited to share a few ongoing improvements around the park:

- New turf installation on the Juniors field batting cage
- Near completed repainting of our '97 mural following recent vandalism
- Completed cleanup and restoration of dugouts, storage bin vandalization.

While the recent break in was unfortunate, we're committed to restoring and improving our fields for the kids. These upgrades are made possible through your fundraising support. Thank you for helping us reinvest back into the league.

CLEAN UP REMINDER

Please clean up after yourselves at the fields. Every dollar we spend on cleanup is money that could go toward improvements for our players. Let's work together to keep our park in great shape.

As always, no dogs allowed on the fields. Please let your guests know this ahead of any visits to avoid any inconveniences ahead of game or practice times!

PARENT CODE OF CONDUCT

As a reminder, NELALL is a volunteer-run league. Our coaches, board members, and team staff dedicate their time to create a positive experience for every player.

We ask all parents to:

- Treat coaches, umpires, and volunteers with respect
- Set a positive example for players
- Represent the league with sportsmanship and integrity

Your support helps create the environment our kids deserve, fun, safe, and encouraging. **If parents or guests are unable to comply with the code of conduct, you and your player will be subject to disciplinary action including All-Star eligibility and potential removal from the league.** We want to stress sportsmanship on AND off the field and the first example starts at home.
