Building and Grounds update

A priority list was set for facility projects. Bathrooms, fencing, and safety repairs remain top priorities. Much of work now on hold for winter. Discussed making field maintenance/improvements as next on priority list. Boston Parks & Rec is contracted with Foye and Letendre of Quincy to rehab several city baseball fields, including Billings. Getting a quote via Dennis Roache for rehab of Praught/Bunker (grading, re-shaping, re-sodding, etc.)

Training clinics

Rich Curran and Adam Polgreen discussed proposals on training clinics from TJO's and Dirt Dawgs. The recommendation is to accept the proposal from Dirt Dawgs for continuity with spring offerings. Will request a time change to late afternoon.

Action: Rich Curran to seek board approval for sticking with Dirt Dawgs for training clinics.

Majors schedule update

Team mapping is done by last year's standings. (One exception from regular season standings. Yankees are Number 1 AL team in order to play Number 1 Giants on Opening Day in rematch of last year's Championship Series). April 29, May 13 are set aside as rainout dates. There will be no Majors Division games the day of the Corrib Road Race.

Action: Majors schedule to be posted to website when complete so families can plan accordingly.

12:11:2

Topic of hiring a CPA

Board discussed possibility of hiring a CPA to audit our books. Rich Myers will ask his cousin Mary Cuddy what the league could expect from hiring a CPA. No decision was made to hire a CPA, as no quorum was present for this meeting.

12:11:3

Allocation of electric utilities with concession ops

Not done yet. Keith Barry to coordinate.

11:13:5

Opening Day update

Wally The Green Monster is locked in for the parade on April 14. Jack O'Neill's is available for the Opening Party that same day, and blocked off for Parkway. Board will also look to put together a list of who to honor on Opening Day.
