

# Parkway Little League Covid Guidelines

## 2021 Spring Season

Updated May 18, 2021

### **Youth and Amateur Sports Face Covering Guidance:**

Effective May 18, the youth and amateur sports guidance will be updated to no longer require face coverings for youth athletes 18 and under while playing outdoor sports.

Players may choose to continue to wear masks as they deem appropriate for their level of comfort for the rest of the season. All coaches will be instructed to respect their personal choice on this matter.

### **Dugouts and Equipment**

- Hand sanitizer will remain available in each dugout.
- All players are still encouraged to wear their own helmets and use their own bats

### **Limited touch rule:**

- The league will refrain from handshake lines for the remainder of the season.
- A “tip the cap” can be used following the game instead of the handshake line.

### **Spectators:**

- All spectators are required to follow the Massachusetts outdoor protocols.

These guidelines are subject to change as Massachusetts makes adjustments to its guidelines

Thank you,

Parkway Little League Board of Directors
