# Note to Parents

WE'RE BACK!!! After the last 2 years of all this craziness, I'm sure everyone is looking forward to getting back into the swing of things. We provide these team parent handbooks so you can browse what we offer aside from the standard uniform. If you're looking for hoodies, jackets or practice tees you can find all the info here. Feel free to email us with any questions [contact@sportaboutgraphics.com](mailto:contact@sportaboutgraphics.com)

Please understand these are still challenging times and the supply chain is not quite what it used to be. Aside from prices going up on practically everything. It may also be an issue getting specific items we have been doing our best to work around those issues.

There is a 12 piece minimum for all spirit wear or practice tee orders. We recommend you order at least the minimum to avoid any setup fees. The reason why is that orders take a long time to setup and ordering a few extra items will save you in the long run.

Once your order is placed, you cannot add on to it so please make sure you have everything together before you submit it. We do offer multiple ways to place and pay for your orders. You can go on to our website and download an order form to submit with the forms that are attached to this handbook. We can take payment over the phone for online orders. We recommend walk-ins for those that are new to the game so that you can talk to someone face to face and even get a physical look at the items you will be ordering.
