

CSLL Code of Conduct

It is the goal of Capitola-Soquel Little League (CSLL) to provide a safe and enjoyable environment for our children to learn and play the game of baseball. The basic goal of Little League has always been to give children a game that provides fundamental principles (sportsmanship, fair play and teamwork) they can use later in life to become good citizens. In addition, Little League Regulation XIV(a) states that "the action of players, managers, coaches, umpires and league officials shall be above reproach." The CSLL Board of Directors has therefore instituted this Code of Conduct, to ensure that the behavior and conduct of all participants in CSLL activities are consistent with the goals and rules of CSLL and Little League Baseball.

All participants in CSLL activities, including players, managers, coaches, umpires, scorekeepers, league officials, volunteers and spectators have a responsibility to display proper behavior at all times. Any participant guilty of improper conduct at any game or practice will be asked to leave the sports facility and will be suspended from the following game. The CSLL Board of Directors may take disciplinary actions against any participant in the league whose behavior is not consistent with this Code of Conduct or is detrimental to the operation of CSLL. Disciplinary action may include warnings, game ejections, game suspensions, or expulsion from the league. While this Code of Conduct lists certain behaviors that would result in disciplinary action, it is not exhaustive and other conduct not specifically listed here could also result in disciplinary action.

CSLL Code of Conduct

Disciplinary Measures

First Offense

When a report of a first offense of the CSLL Code of Conduct is received by the CSLL Board of Directors, a written warning will be provided to the offender which will indicate the consequences of future violations. Depending on the severity of the first offense, nothing precludes the Board of Directors from suspension of an offender from all CSLL activities for a period of time deemed appropriate by the Board of Directors.

Second Offense

The Board of Directors may institute a wide range of penalties for repeat offenders, beginning with the second offense, as deemed appropriate by the Board. Such penalties include, but are not limited to:

- suspension from all CSLL activities for a period of time deemed appropriate by the Board of Directors.
- severe violations can result in suspension from all CSLL activities for the remainder of the current season or a permanent expulsion from all CSLL activities. See Third Offense.

Third Offense

The Board of Directors may choose to apply any of the penalties prescribed for a second offense.

If the Board of Directors believes a permanent expulsion from CSLL is appropriate, the Board should provide notice to the player's parent or guardian or the individual against whom the action is being taken and allow that person to address a meeting of the Board on their own behalf. A certified letter should be sent to the offender to provide notice if there is sufficient current information available to the Board about the address of the individual. If the offender or their parent or guardian chooses not to respond, the Board should take appropriate action to safeguard the well being of the players and persons who attend CSLL activities.

Any parent, coach, player, or spectator who has been suspended or expelled from league activities may petition in writing to the Board of Directors for a review of the penalty. The petition should be delivered to the League President. The Board of Directors' Executive Committee will meet as soon as reasonably possible to consider the petition. The aggrieved parties will have the opportunity to present their appeal at a meeting of the Board of Directors' Executive Committee.

These disciplinary measures for Code of Conduct violations were approved by the CSLL Board of Directors on 3/24/15.
