WSLL GENERAL INFORMATION

Mission Statement

The purpose of West Seattle Little League (WSLL) is to assist youth in developing the qualities of discipline, teamwork, courage, and loyalty. The Little League Baseball and Softball program is designed to develop superior citizens rather than superior athletes.

Volunteering

WSLL is a 100% volunteer-run organization. Only under certain circumstances does the league pay for services - this is typically when we don't have individuals in the community with the requisite skills for a particular job. Every parent and/or guardian with a player in the league is expected to participate and give their time/talents so we can provide our children a great experience. Participation is needed and volunteering opportunities include the following:

- WSLL Board of Directors
- Manager or Coach
- Field Maintenance Crew
- Team Parent
- Umpire
- Scorekeepers
- Snack Shack Crew
- All-Star Tournament Volunteers
- General Volunteers

All volunteers who have any interaction with players must submit an annual Volunteer application and agree to the Little League International's (LLI) background check process. Ensuring our children's protection is a fundamental requirement of WSLL.

WSLL Board of Directors

The Board of Directors is elected annually by the General Members of the community. General Members consist of the previous years' Board Members, Managers, Coaches, Umpires and Team Parents. The current president calls for a General WSLL Community meeting every year on the 3rd Wednesday of September. Nomination Forms and Election Ballots are e-mailed out in the following time frame:

1. 1st Wednesday of September: Notice of General Meeting and Nomination Forms are sent out to Community Members. Nomination Deadline is the following Tuesday at 5 pm.
2. 2nd Wednesday of September: Election Ballots are sent out to General Members. Election Ballots are due by the following Wednesday at 5 pm.
3. 3rd Wednesday of September: Election results are shared with membership at the General Meeting.

There are no exceptions to this rule. Any violation of this standard by a coach will be considered unsportsmanlike conduct and a violation of this Code of Conduct.
- Coaches should be prepared to mitigate any challenge to an umpire's final ruling by reminding anyone present of this Code of Conduct and the expectations for fan, coach, and player behavior at WSLI.
- Coaches and other adults are reminded that calls sometimes do not go your way and part of the youth baseball and softball experience is accepting those calls with grace and sportsmanship. Calls that you do not like, correct or mistaken, are one more teaching moment with these young athletes and we are reminded to model good sportsmanship in all of our interactions with players.
- Coaches who believe an individual umpire is lacking in skills or knowledge or is acting in a biased manner are not permitted to offer instruction or advice, constructive or otherwise, but should report their concern to either the league board or the Umpire in Chief after the game. Player Fees and Refund Policy

Annual player registration fees are reviewed and set each year by a vote by the WSLI Board of Directors (Board).

All player fees are due at the time of registration unless prior arrangement and approval is made. A refund will be granted until the first regular season game of the season. After the start of the season, refunds will need Player Agent approval and may be at a reduced rate. The league will charge the amount invoiced to WSLI by the online registration system or bank for any NSF check returned unpaid.

Scholarships

Scholarships, partial and full, are available to families upon request. It is WSLI's policy to never turn away a player because of an inability to pay the registration fees. WSLI requests that a family pay what they can afford, and the league will waive the remainder of the fee.

TEAM FORMATION

Manager and Coaches

West Seattle Little League By-Laws

Appointment of Managers to teams are done by the WSLLE Executive Board and the Director of Coaching. The appointment is subject to Board approval. Manager selection of coaching staff is also subject to Board approval.

Players

All eligible players, as defined by Little League rules, shall make up the player pool.

Tee Ball, Coach Pitch, and AA Rookies Softball Player Assignment

Tee Ball players will be placed on Tee Ball teams by the Tee Ball Player Agent. Coach Pitch players will be placed on teams by the Coach Pitch Player Agent. Softball AA Rookies players will be placed on teams by the Softball Lower Player Agent. If necessary, Player Agents will consult with the League President. When possible, players will be placed on teams according to the school they attend and/or by parent request and/or a Manager's request. Teams will be dissolved at the end of each season.

Rookies Baseball, Minors, Majors and Higher Divisions Player Assignment

All Rookies Baseball, Minors, Majors, and Higher Divisions players are subject to the draft and subsequent post-draft team assignment process as outlined below.

All Softball AAA Minors, Majors, and Higher Divisions players are subject to the draft and subsequent post-draft team assignment process as outlined below.

All players within each division will return to the player pool at the end of the season and will be subject to the draft at the start of each subsequent season. Players will not be "franchised" or "held-over" to play on the same team from one season to the next. Therefore, the annual draft gives the opportunity to infuse new players and diverse player experience across teams.

Note: Assessments and drafts only occur if there are sufficient player registrations, volunteer Managers, and Coaches to form more than two teams in a division.

Assessments

Rookies Baseball, Minors, and Majors divisions hold separate assessments. Prior to assessments, all assigned Managers/Coaches from that division will provide a confidential skill level rating (1=excellent; 2=good; 3=average; 4=below average) of the protected players which they have prior knowledge of. These ratings will be submitted to the division Player Agent who will consolidate and provide to an independent evaluator group the average rating for each protected player. This group will be made up of 3-5 independent evaluators who are adults with no vested interest in that particular division and have been assigned by the WSLLE Board. At the end of assessments, this group will meet to apply a round-equivalent value to each protected player.

West Seattle Little League By-Laws

During assessments, Coaches and Managers will alert a Player Agent or the President immediately when a safety concern about a player playing at their age-appropriate program is identified. The President and/or Director of coaching will decide on which program is correct and talk to the parents of the player at the assessment. Eligible players who are not at assessments will be draftable on the draft date for their division.

The Player Agent conducts the draft for each division following the assessment.

Draft Eligibility

To be eligible for the draft, a player must:

1. Be registered and have all required paperwork submitted and verified
2. Be in good financial standing with the league

Draft Process

Each division holds a separate draft. Draft attendance is limited to the Player Agents, League President, applicable League Vice President based on division, Team Managers, and named Coaches. If the President and/or Vice President are not available, they may designate another Board Member to attend.

Prior to the start of the draft, Player Agent will:

- Confirm and announce all Coach declarations and assignments
- Confirm draft order which was determined at Coaches meeting
- Announce protected player's draft round
- Ask Managers and Coaches to share information about players who did not attend assessments
- Clarify any special considerations
- Announce which players have siblings in the same division and want to be on the same team
- Review draft rules and process

The draft will be conducted under the serpentine draft process. Round 1 starts with the team holding the first pick and continues down through the order until the last pick of Round 1 is made. Round 2 starts with the team having the last pick in Round 1 having the first pick in Round 2. Round 2 continues in reverse order until reaching the team that had the first pick of Round 1.

The order continues throughout the draft.

West Seattle Little League By-Laws

No team may pass their pick in any round in which they are eligible to draft.

The draft shall continue until all eligible players have been selected.

Sibling Rules

The Player Agent will contact the parents/guardians of siblings registered in the same division prior to the draft to ask if the parents/guardians would allow the siblings to be on separate teams. If the parent/guardian chooses separate teams for the siblings, then no sibling draft rule applies to each sibling and they may be drafted by any team and in any round during the draft. If the parent/guardian chooses to have the siblings play on the same team, then non-protected siblings **MUST** be chosen by the same team in consecutive rounds of the draft, no exceptions. Protected (Manager/Coach/Team Parent) children as defined in the draft rules below must be chosen in their assigned round. West Seattle Little League defines siblings as children sharing the same household address. Parents/Guardians must submit address verification documentation in accordance with Little League rules.

Draft Confidentiality Rule

Players, and their parents, shall never be told the position in which they were drafted. Knowledge of the detailed draft order and when players are selected is **strictly confidential** and limited to those in attendance at the draft. If after due process, it is determined that a coach leaked confidential information about the draft, it will be considered a violation to the Code of Conduct and consequences will be given.

Rookies Protected Player Rules

An independent evaluation group will meet at the end of assessments to apply a round-equivalent value to each protected player.

If a team has two players in the same round, the second player must be drafted in consecutive rounds.

Example:

Team 1: Managers kid round 1 value, Assistant coach round 1 value. Protected players must be drafted in the first two rounds and this team's first pick from the draft board would be in the 3rd round.

Team 2: Managers kid round 3, Assistant coach round 1. Protected players must be drafted in rounds 1 and 3 and this team's first pick from the draft board would be in the 2nd round.

Managers have exclusive rights to their child in the protected round assigned by the independent evaluation group only. After that, that player is ineligible to be drafted by their parent's team.

Each manager may designate up to two coaches prior to the draft. The manager has exclusive rights to the eligible child(ren) of the designated coach(es) in the protected round(s) assigned by the independent evaluation group (if two coaches were designated) only. After that, those player(s) are ineligible to be drafted by their parent's team.

One of the designated coach positions may be used to designate a 'team-parent' instead of a coach. The same protection would apply. All pre-draft designations of coaches/team-parents must be confirmed, and agreed to by the coach/team parent, prior to the draft.

Minors and Majors Protected Player Rules

An independent evaluation group will meet at the end of assessments to apply a round-equivalent value to each protected player.

If a team has two players in the same round, the second player must be drafted in consecutive rounds.

Example:

Team 1: Managers kid round 1 value, Assistant coach round 1 value; Protected players must be drafted in the first two rounds and this team's first pick from the draft board would be in the 3rd round.

Team 2: Managers kid round 3, Assistant coach round 1. Protected players must be drafted in rounds 1 and 3 and this team's first pick from the draft board would be in the 2nd round.

Team 3: Managers kid round 6, Assistant coach round 2. Protected players must be drafted in rounds 2 and 6 and this team's first pick from the draft board would be in the 1st round.

Managers have exclusive rights to their child in the protected round assigned by the independent evaluation group only. After that, that player is ineligible to be drafted by their parent's team.

Each manager may designate one coach prior to the draft. The manager has exclusive rights to the eligible child of the designated coach in the protected round assigned by the independent evaluation group only. After that, the player is ineligible to be drafted by their parent's team. All pre-draft designations of coaches must be confirmed, and agreed to by the coach, prior to the draft.

West Seattle Little League By-Laws

Majors and Minors Age Restrictions

No more than six players of the same age may be on a roster. The only exception is if the only players left in the draft are of that age.

Special Considerations

- If a manager or coach so chooses, the option on a son or daughter must be waived prior to assessments.
- When a vacancy occurs during the playing season, the player selected to fill the vacancy becomes a permanent member of that team, governed by the same regulations as all members of the team selected in the draft.
- Parents of players who become managers or coaches after their children have been selected to a team may not automatically claim their sons or daughters, but may trade for them at the proper time, subject to the requirements for trading.

Post-Draft Team Assignment

When all eligible players have been drafted, the draft is finalized. Any player who was not eligible for the draft for any reason, but becomes eligible after the draft has been finalized, that player will be randomly placed on a team. All teams within a division who have a deficit of players on their roster relative to other teams in their division will be entered into a random draw for that player. If all teams in that division have the same number of players on their roster, all teams will be entered into a random draw for that player. This process will continue until all registered players have been assigned to a team.

Manager requests for assignment of specific player(s) not eligible for the draft will not be granted by the Player Agent.

Trading

Trades may only occur after the draft has concluded at the draft location. The Player Agent will be available to discuss trades up to 20 minutes after the end of the draft. ALL TRADES SHALL BE MADE THROUGH THE PLAYER AGENT. The following restrictions also apply:

- Trades may only take place within the same division.
- All trades must be player for player only (Example: Two players from Team A could not be traded for one player from Team B.)
- Trades involving a player for draft choices are not permitted.

The Player Agent must monitor any attempts by managers and parents to manipulate the system and thus create an imbalance in the league. ALL TRADES MUST BE FOR JUSTIFIABLE REASONS AND BE APPROVED BY THE PRESIDENT (or Executive Board delegate) and PLAYER AGENT FOR THE DIVISION.

Replacement of Player During the Season

If a player cannot complete the season, the Manager must notify the Player Agent within 48 hours. The Player Agent will contact the player and their family to determine whether the player will/cannot play and should be removed from the roster.

Once the Player Agent has determined the player's status they shall promptly notify the League President. The President will present the loss of the player to the Board by the quickest means possible, (Board Meeting, e-mail, and/or phone). If the Board approves the loss/removal of the player, the President shall send a communication of release to the player and the parents stating the player has been released from the Division League team and the league for a justifiable reason. This action creates a legal opening for a replacement on the team's roster.

The Player Agent may provide a replacement player if available. If no player is available a permanent roster replacement will not be provided and the team will utilize the Pool Player program when they will be short players.

Majors and Minors Pool Player Program

WSLL operates a Pool Player program for Majors and Minors divisions to minimize rescheduling of games due to player availability shortages. The Pool Player program is NOT intended to supplement a team's roster. The Pool for each division consists of players, currently playing within that division, who are willing to fill-in for teams that will be short of enough rostered players for a specific regular season game in accordance with Pool Player Rules.

Pool Player Rules

1. Pool Players may only be used when a team has nine, eight, seven or six players assigned to a team available to play a game. When nine players assigned to a team are available to play, the manager *may* elect to ask for one pool player. When eight players assigned to a team are available to play, the manager may elect to ask for two pool players. When seven players are assigned to a team, the manager will request two pool players. When six players are assigned to a team, the manager will request two pool players and take an out for the ninth batter.
2. A maximum of two Pool Players may be assigned to a team. If a team needs more than two Pool Players, the game should be rescheduled.
3. The Division's Player Agent will create and run the Pool Player program.
4. The Division's Player Agent will use the pool to assign players on a rotating basis to those teams that are short of players.

West Seattle Little League By-Laws

5. The Player Agent will make a “best effort” to allow teams to play their games.
6. Managers/Coaches do not have the right to randomly pick and choose players from the pool or otherwise. If a team selects a replacement player that is **not** part of the Pool Player program **and** assigned by the Player Agent to that team for that specific game, the game (whether played or not) will be counted as a forfeit per Little League rules for the team violating the League’s Pool Player program rules.
7. Pool Players assigned from the pool are not allowed to pitch.
8. Pool Players assigned from the pool are not allowed to catch.
9. If the addition of Pool Players makes a roster 10 players total, each Pool Player must sit out a minimum of two innings.
10. Pool Players will bat at the bottom of the batting order. If two pool players, then they will be assigned to the bottom of the batting order.
11. Minors and Majors players may only participate in the pool player program in their respective divisions. The Minors and Majors pool player program is established independently for each division.
12. Pool players who are called and arrive at the game site must be given the same minimum playing times as defined by the WSLI Minimum Playing Time Rules for Majors and Minors. In the event a player normally assigned to the team arrives at game time to complete the team’s minimum roster, the Pool Player will play and must still be given the minimum playing time.
13. If a rostered player arrives to a game unexpectedly, that rostered player must be allowed to play in the game in addition to the Pool Player who has been assigned.
14. Any team that finds out at, or just before, game time they do not have enough players to play will be given 15 minutes grace for the league to try to obtain a Pool Player. If one is not found, the game should be rescheduled and for the benefit of those that arrived; an unofficial scrimmage may be played among the remaining players.

West Seattle Little League By-Laws

Procedure for Assigning Pool Players

1. Players will be added to the pool in a random drawing of names and placed in order with regular season team recorded along with their name.
2. As the Player Agent is notified of a shortage of players for an upcoming game, pool players will be contacted by the Player Agent on a rotating basis.

If a pool player is asked to participate in a game and is unable to do so on that date, that player will be bypassed and the next available pool player will be invited to participate.

REGULAR SEASON GAME PROCEDURES & GUIDELINES - BASEBALL

Field Preparation and Decorum

Before Each Game

The home team is responsible for field preparation before each game. These responsibilities include dragging the infield and chalking the lines. - Home team shall occupy 3rd base dugout
- Visiting team shall occupy 1st base dugout

- Home team drags the infield
- Home team drags the pitching mound and repairs any divots/holes on the mound or on the side of the pitching rubber.
- Last game of the day at Bar-S:

Use of the Batting Cage prior to and during games.

The batting cage is the North Field Home Team's bullpen and shall be reserved for pitcher warm-ups during games. No batting practice may take place during games by any individual. As there is only one batting cage available at Bar-S, in order to be fair to all teams present, the batting cage may not be used 60 minutes prior to a game by either team playing on the North or South fields.

Time Limits

1. **Tee ball and Coach Pitch:** A normal game is 60 minutes from the scheduled start time or at least one inning, which is defined as one time through the batting order of eligible players.
2. **Rookies Division:** A normal game is six innings or 90 minutes from scheduled start time, whichever comes first. The two teams may agree to play for up to two hours if it is determined before the beginning of the game there is no game following their own. Managers can confirm field availability on the WSL [website](#). Note that End of Season Tournament games do not have time limits.
3. **Minors and Majors Divisions:** A normal game is six innings. No time limit for games, unless the field is scheduled for another game that day. The game termination time will be determined at the plate meeting prior to the start of the game. Continuation of play at a later date will be necessary only if fewer than four (4) innings (3 1/2 innings if the Home Team is ahead) of play has been completed. In this case, the score from the previous game will carry over but the pitch count resets. Typical pitch count rules still apply. If the game is past the fourth inning and the game is called by the umpire for safety/weather reasons but has not yet reached a normal game ending sixth inning, then the game will revert back to

the last completed inning. The score from that inning will be recorded as the score of the game. Note that End of Season Tournament games do not have time limits.

4. **50/70, Juniors, Seniors:** A normal game is seven innings. No time limit on games. Continuation of play at a later date will be necessary only if fewer than five innings (4 1/2 innings if the Home Team is ahead) of play has been completed. If the game is past the fifth inning and the game is called by the umpire for safety/weather reasons, but has not yet reached a normal game ending seventh inning, then the game will revert back to the last completed inning. The score from that inning will be recorded as the score of the game.

BASEBALL AND SOFTBALL SAFETY REGULATIONS AND SCOREKEEPING

Umpires

Teams are required to assist the league in the recruitment of umpires to officiate games. The District holds yearly rules and umpire clinics prior to the start of every season to help train those new to umpiring, and to give a refresher to those who have umpired in the past. In addition, the WSLL Umpire-In-Chief is available to help with any questions or training needs.

The WSLL League Umpire-In-Chief will be the final authority on any open questions, differing opinions, as to how a Little League rule is to be interpreted and enforced in WSLL.

Differing opinions between umpires must be discussed **OFF** the field and **AFTER** the game.

Umpires are NOT to engage directly with spectators. Umpires do not need to field questions or defend their calls/rule-interpretations to spectators. Team Managers/Coaches are expected to help maintain decorum among their team's spectators/fans. If a spectator becomes overly disruptive, disrespectful and/or making inappropriate comments, the umpire should:

- 1) Call time
- 2) Call the Manager(s) out of the dugout for an on-field conference. This discussion should be private and away from the players and stands.
- 3) Umpire shall instruct the Manager to warn the spectator that if their comments/behavior continues they will be asked to leave the field.
- 4) If the spectator continues to misbehave after receiving a warning, the Umpire shall again call time out. Players will be instructed to return to their dugouts. Umpire will inform the Manager that the game will remain suspended until the spectator leaves the stands and the area surrounding the field. Spectators that are ejected from games will be reported to the President and/or member of the Board of Directors. A disciplinary action may be initiated according to the processes outlined in these bylaws.

Rookies, Majors, Minors and Upper Divisions: during the regular season, the home team is responsible for providing the home plate umpire and the visiting team is responsible for providing the field umpire. The plate umpire will act as the umpire-in-charge for the duration of the game. During the end of season tournament the league will assign umpires.

West Seattle Little League By-Laws

Junior Umpire Program

Junior umpires will be eligible to umpire in games who are at least one year older than the division's oldest age. i.e. League age 13 to umpire in Majors, Minors and below. Umpires will be considered Junior until their 18th birthday and covered by these guidelines.

Each Junior umpire will fill out the Little League volunteer application and sign the Code of Conduct.

Junior umpires will attend rules and mechanics clinics and training offered by the league for assessment by league officials.

All Junior umpires shall by default be assigned to Minors and Rookies division games until they are assessed and evaluated to participate at higher level play.

Junior umpires should be paired with adult umpires, if possible.

In the Rookies division, Junior umpires do not need to be paired with adult umpires and can be the only umpire on the field. If this is the case, a Game Coordinator will be assigned to the game whose responsibility it will be to manage and minimize conflict during the game. The Game Coordinator will attend the Home Plate pregame meeting, then be outside the fence and available for questions and problems. There will be NO tolerance for intimidating or abusive behavior towards the Junior umpire.

The Game Coordinator will NOT be the other umpire.

Normal game protocol shall be observed. No umpire may overrule the other in ANY circumstances. If the umpires conference regarding a call, the umpire that made the call shall have final authority and make that call.

Helmets will not be required for Junior umpires in the field, but a protective cup (for males) and hard shell catcher/umpire helmet with dangling throat guard shall be worn for umpires behind the plate. A protective cup is HIGHLY recommended for ALL male umpires – field or plate.

Junior umpire phone numbers will NOT be published to the general league membership. Contact will be limited to email unless the Junior umpire and their parent(s) allows phone contact. This is for the protection of the minor to avoid any potential harassment.

As Little League is a volunteer organization, umpires in West Seattle Little League are not paid. In lieu of pay, however, Junior umpires will earn 2 community service hours from the league per game umpired. The sign off will come from the Game Coordinator, an Executive Board member, or the Umpire in Chief.

West Seattle Little League By-Laws

Protests

Protests are described in the LLI Baseball Rulebook. The Umpire and Managers are encouraged to resolve any potential protest immediately. If they cannot, a protest shall be filed in accordance with rule 4.19 in the Little League rule book.

- **Exception: Tee Ball, Coach Pitch, Rookies:** Formal protests are NOT allowed. Disagreements must be resolved on the field at the time of play. The Managers are encouraged to resolve the disagreements immediately. Letters describing an ongoing problem should be submitted to the League President.

Base Coaches

Base coaches will be provided by the team at bat as per Little League rule **4**. Two (2) adult base coaches are permitted at all times per rule **4.05**. Players who are base coaches must wear batting helmets.

Safety

All safety procedures as documented in the WSLL's A Safety Awareness Program (ASAP) plan ("safety manual") shall be observed at all times. In addition, the following will also be observed:

1. All players involved in any pre-game batting practice must wear protective helmets.
2. At the last game of the day at Bar-S only, two adults from the home team on the North field (manager, coach, or parent) will stay with the concession stand ("snack shack") personnel until 'closing' to help ensure their security and safety.

Softball and Baseball Scorekeeping

Rookies: The home team is responsible for providing the official scorekeeper for the game. The official scorekeeper is responsible for tracking pitch counts for both the home and visiting team pitchers. Submission of score sheets to the league is NOT required since Win/Loss records and standings are not tracked for Rookies division.

Majors and Minors: The home team is responsible for providing the official scorekeeper. The home team will be the official scorer and will use the GameChanger app to score all games. Scorekeeping shall be done in accordance with LLI rules. Managers are encouraged to send people to the WSLL scorekeeping clinic.

Note (1): No official score is kept for Tee Ball, Coach Pitch, and Rookies divisions.

West Seattle Little League By-Laws

Note (2): Junior, Senior and 50/70 are required to notify the identified District Personnel to pass on the same information.

Note (3): Gamechanger access must be provided to the Player Agents at the End of Season tournament to verify All Star minimum regular season play.

Note (4): Scorebooks must be returned to WSLI and retained for 7 years.

Music

Music (or other loud and/or amplified sounds) shall not interfere with the game. To achieve this goal, the following rules must be followed:

1. At all times after the game begins and until the game is complete, the umpire has complete authority to stop or require a change in volume.
2. Music shall be free from explicit lyrics.
3. Music volume shall not interfere with the ability of the umpires to control the game.
4. Music volume shall not interfere with either team's ability to communicate with each other.
5. Music shall not be played while the ball is live, except when the batter is walking from the dugout to the batter's box (subject to approval by umpire).

REGULAR SEASON WSLI LOCAL PLAYING GUIDELINES

West Seattle Little League By-Laws

Excessive Scoring

Fifteen, Ten, Run Rule: LLI Rule 4.10 (e) is in effect for all Rookies, Minors, and Majors games in WSL - If after three (3) innings, two and one-half innings if the home team is ahead, one team has a lead of fifteen (15) runs or more, the manager of the team with the least runs shall concede victory to the opponent. If after four (4) innings, three and one-half innings if the home team is ahead, one team has a lead of ten (10) runs or more, the manager of the team with the least runs shall concede victory to the opponent. WSL has elected to NOT adopt the eight (8) run after five (5) inning rule.

For Baseball and Softball Minors and Rookies: A five run maximum per inning is imposed, which would complete the half inning. The five run limit will not apply in the sixth or final inning or in any extra innings; however, the fifteen and ten run rule remains in effect, as do any applicable time limitations. **Baseball and Softball Majors divisions and higher do not have a 5 run maximum per inning limit**

Slug Bunt/Slash Bunt

Once a pitcher is set, a batter who shows bunt, must either attempt to bunt, or pull the bat back and not swing when the pitch is thrown. If a batter shows bunt, and then takes a full or partial swing, the batter is out, the ball is dead, no runners may advance. The batter may reset their stance on the pitch if the pitcher steps off the rubber or time is granted.

Uniforms

No uniforms, other than those approved by the League, are acceptable. West Seattle Little League will provide uniforms to all divisions of play. Uniforms provided may include: hat/visor jersey, pants (belts where applicable) and socks. The jerseys, pants, and belts are the property of West Seattle Little League and must be returned at the end of the season, unless otherwise permitted. The player keeps the hat/visor and socks. Any uniform that is not returned or is damaged in any way (except for normal wear and tear) will have to be paid for by the player.

Tee Ball Division Rules

- All defensive players should be used on the field. All infield positions shall be covered with remaining players being used in the outfield.
- All players should be rotated to all positions. No player can play the same infield position for more than one inning.
- A continuous batting order will be used following rule 4.04 of the Little League rule book.
- All batters will hit off the tee as per Little League rules.
- Each batter will be allowed five (5) swings. To be called a hit, the ball must travel ten (10) feet. No bunting or walks are allowed.
- No infield fly rule.

West Seattle Little League By-Laws

- Last Batter rule: This rule intends to limit the number of batters in a single inning. The limit is the number of players on the roster; each player may not bat more than once in an inning. An inning will end in one of the following two ways:
 1. If the last batter of the inning gets a fair hit, the base runners may cross home plate until a defensive player touches home plate with the ball in their possession;
 2. All present team members have batted and the last batter makes an out or doesn't get a hit.
- Though rare, games should be played with outs to encourage fielding. However, the half inning is only complete when the full roster has batted.
- Stealing bases is not permitted. Runners must stop advancing once the ball enters the infield AND becomes under control of a defensive player. Any runner over halfway to the next base may continue to that base.
- If needed due to injury or illness, a pinch runner may be used. The pinch runner shall be the last recorded out.
- Managers and Coaches are allowed on the field.

Coach Pitch Division Rules

- All defensive players should be used on the field. All infield positions shall be covered with remaining players being used in the outfield.
- All players should be rotated to all positions. No player can play the same infield position for more than one inning.
- If a pitch hits a batter, batter may not take a base.
- No infield fly rule.
- Last Batter rule: This rule intends to limit the number of batters in a single inning. The limit is the number of players on the roster; each player may not bat more than once in an inning.
 1. Though rare, games should be played with outs to encourage fielding. However, the half inning is only complete when the full roster has batted.
