Dear Potential Sponsor,

Southport Developmental Football, Inc. (SDF, Inc.) proudly serves youth and families in the Perry Township community through football and cheer. Over the past eight years, we have impacted more than 1,500 participants through Flag Football, Tackle Football, Cheerleading, and FREE youth camps, helping young athletes build character, teamwork, and confidence in a safe environment.

To keep our programs affordable and our athletes properly equipped, we rely on community sponsors to help fund essential safety equipment such as helmets and pads each season.

*This year, our need is especially urgent. We are repainting our entire helmet inventory, we also must replace nearly 30 helmets due to safety and sizing needs. To help meet this critical need, we are introducing a new **Helmet Sponsorship** level for the 2026 season.*
