2019-2020 Fall Competitive Soccer

What is Competitive (Classic) Soccer?

Classic soccer is for players ten years of age (by January 1st of the current year) or older. Players seeking to advance their skills beyond the recreational level and aspiring to play in high school and beyond will benefit from Classic soccer.

Oregon Trail Futbol is a collaboration of Canby United Soccer and Oregon City Soccer Club and is a member of the Oregon Youth Soccer Association (OYSA), under the sanctioning of USYSA. OYSA operates U11-U18 competitive league within the State of Oregon. The fall league for U11-U15 runs September thru November with a 10 game venue-based schedule. The winter league for High School U15-U18 runs January 20th – March 17th with a 10 game venue-based schedule. The spring season for U11-U14 runs February thru April with an 8 game venue-based schedule.

What are the goals of the Classic Soccer Program?

To provide a soccer environment for the most skilled and motivated players who desire a greater challenge than that offered by the Recreation Program.

To promote fair play, respect and sportsmanship among the players, coaches and parents at all times.

To develop teams which strive for success while supporting the needs, dignity and self-respect of the players, parents and coaches.
