Snack Bar Report: Kelly reported that we are still having difficulty filling volunteer positions, some parents do not take turns at all and it isn't fair to the parents who work every game to miss their child games. It was decided that starting this fall parents will be given a two week period to sign up to work at least 2 games. After the 2 week time period parents who have not signed up will be assigned to work 2 games. This is similar to what other leagues and sports organizations in the area are doing.

Volunteers will be needed to help with field, snack bar and to sell drinks.

Pavilion will be reserved at Rustic Picnic area for teams to use in between games.

Tickets will be on sale for raffle baskets during the tournament. Winners will be announced during championship game on Sunday.
