2021 Orwigsburg Little League Try-Outs

All Players and Families!

Draft day will be February 27, 2021 at the Schuylkill Racquet Ball Club; which is located off of Route 61 behind CJ Tires. The day will be broken up into time slots by age. This is how we pick our teams to make each team as even as possible. Please do not come early as we need to follow COVID protocols. Parents, please stay in your vehicles during your child's time. Player's make sure to wear a mask and have it on when you come to check in. We will check them in at the door where they will sanitize their hands and receive a number for the managers to identify. We will be sanitizing equipment between each bracket. Before the player leaves, they will sanitize their hands. Player's should bring their helmets, bat, and glove and please make sure their equipment is labeled.

If you need to fill out your volunteer form please get in contact with Katie Bedway or Bill Shaner and we will gladly set something up to get you registered in the program.

We understand it is a difficult time right now and we are all used to watching our kids play and try out for things but we are asking to please follow the guidelines as we will be enforcing them so we can have a season for these kids. We will take great care of them and make sure they have a great time and learn the great American past time of baseball!
