

Equipment Use and Return Agreement

Each year many players and cheerleaders fail to return their Bridgeport Youth Football and Cheerleading issued equipment, which unfortunately increases everyone's league expenses. To reduce equipment losses and to maintain our low registration fees, all parents, or guardians of players and/or cheerleaders are required to sign the below agreement before being issued any equipment or game uniforms.

Furthermore, the league is requiring one of the following:

1. Submit a post-dated \$225.00 (for football) or \$85.00 (for cheer) check or money order, payable to Bridgeport Youth Football post-dated to the **second Monday** in December of this calendar year (this will be held on file and returned when the leased equipment is returned).

Or

2. Submit Credit / Debit Card information for us to keep on file.

If you fail to return the leased equipment, one of two things will occur: 1) your deposit check will be forfeited and cashed on the second Monday in December of this calendar year to cover the cost of the lost equipment 2) your credit/debit card on file will be charged to cover the cost of the lost equipment.

I authorize for the BYF to charge any credit or debit card on file for the cost of equipment not returned. If the Bridgeport Youth Football and Cheer Organization cannot recover the minimum of \$225.00 (for football) or \$85 (for cheer), legal actions may be taken against me and may be forwarded to a collection agency to recover the leased football equipment or the replacement cost of the value of said equipment.

By registering here, I _____ (print full name), the undersigned parent(s) or legal guardian(s), hereby guarantee the safekeeping and timely return or reimbursement of the replacement value of any and all equipment issued to my child by the Bridgeport Youth Football and Cheerleading Organization. I will not modify or mark the equipment in any manner to make it unusable or undesirable for future participants. Equipment shall be returned as issued, excepting for normal wear and tear, clean and in good condition to the Bridgeport Youth Football and Cheerleading Organization.

The undersigned parent(s) or legal guardian(s) understand that failure to return any of the equipment issued, at the end of the season by the equipment return date that will be posted on the BYF social media pages will result in the issuance of a MINIMUM fee of \$225.00 (for football) or \$85.00 (for cheer) for the lost equipment cost. I understand that my failure to either return said equipment or reimburse BYF for the missing equipment will preclude the player/cheerleader from participating in any future BYF activities.
