

Businesses Partnering With The Rochester Youth Football League

The Rochester Youth Football League (RYFL) at Roger Allen Park is one of the most beneficial and attractive ways for a local business to advertise while helping young children learn the game of football or experience team Cheerleading. Our football field has over 250 yards of fencing. Our season lasts from the middle of August to the beginning/middle of November.

RYFL divisions include the Little Red Raiders (Middle School), Youth (ages 7-11) and Flag (ages 5-9). The Little Red and Youth divisions have their own Cheerleaders. We generally have over 400 athletes who participate at these three levels. As the league's expenses continue to increase we are asking our local businesses not only to provide their financial support, but also to show that they provide financial support for the children in their communities.

This is an opportunity to create some positive exposure for your business by advertising on a prime spot on our fence. Your financial support will help defray costs for football equipment, game officials and field maintenance. Your contribution includes the production of the sign and a place on the fence. You provide the design. The sign will be 36" tall x 36" wide and promote your business to a very large audience. We are asking for either a two or four year commitment which RYFL will be happy to renew at the end of the term.

Your advertising designs can be formatted in PDF, IA, EPS, high resolution jpeg's and other Vector Art Files. Please forward your files to: rochesteryouthfb@gmail.com

Checks should be made payable to RYFL and forward to:
