

## PARENT CONTRACT

Mission: To glorify and honor Jesus Christ with attitude, action and ability; to demonstrate Christian character at all times; to bring honor and glory to our Lord Jesus Christ and to lead others to Him through our words and deeds.

As The Parents/Guardians of \_\_\_\_\_

- We have seen the requirements listed in the Athlete Contract, and we agree to support them.
- We will show respect for the officials. Their job is not always an easy one. We may not always agree with their calls, but voicing our displeasure will not improve the situation.
- We will be role models for our child regarding good sportsmanship, teamwork and self-worth. These things start with the adults, and the athletes will behave accordingly. We will take pride in how we carry ourselves and treat others.
- We will provide encouragement and support for our child. My child needs to hear my positive encouragement throughout the sporting event.
- We will provide encouragement and support for all players on the team. As a team, it's important to provide the same support for our teammates. We're in this together!
- We will respect the opposing team, its coaches and fans. They are the same as us in many ways; they simply wear different uniforms. Appreciation for their performance and respect for their abilities will contribute to a positive game environment.
- We will support the coach's message. While I will not agree with the coach at all times, I understand that contradicting the coach's message is counterproductive.
- We will help our child embrace his/her role, no matter what it is. We may not agree with every decision regarding playing time, but it is important that we help our child embrace and master that role for the best possible experience.
- We understand that the behavior guidelines apply to parental/guardian conduct, as well as to any family or friends we may invite to come watch and support our athlete and teams.
- We understand that there are times that travel and overnight accommodations may be required for participation in tournaments, regionals and nationals. We agree to make arrangements for our athlete for both transportation and accommodations when needed.
- Ejection Policy for basketball program:
  - If a player is ejected from a game, there will be a minimum of a one game suspension.
  - If a player is ejected for fighting, there will be a minimum of a five-game suspension.
  - Fighting is defined as striking another player.
  - A game suspension refers to a regular season, tournament, or post-season game.
  - If the ejection occurs during a summer league game or preseason game, the suspension described above is in addition to summer league or preseason suspension.
  - In addition to suspension, the player ejected from a game for fighting will be put on probation for a minimum of 12 months.
- We have read and agree to follow the above contract and the Blue Knights Manifesto. We understand that not meeting any of the stated responsibilities may affect our athlete's playing time and/or role on the team, along with our family's continued participation in the athletic program.
