

# Buddy Werner Youth Snow Sports League

The Weekly Update  
For Sunday, April 1, 2018

Hello Buddy Werner Parents and Skiers,

Happy Spring Break and Spring Skiing! Many families took advantage of the week off and went skiing and traveling. We hope everyone had a wonderful time and enjoyed the fruits of Miracle March!!!

The All-Stars Results were sent out by earlier this week- take a look in your email and give big kudos to all the kids who represented our team! There was a great showing and competition with some of our other local teams!

## *This Week*

Since the season is officially done, there are no more organized practices. However, the Competition team at Sierra is going to continue to set up brush courses. We were invited to use and practice on these courses through the remainder of the season so if you are freeskiing, look for these open runs and keep practicing!!! If you use the course, we only ask that you have a parent/coach with the skier and check in with the rep from the Competition Team at the top of the practice course.

Sky Tavern is also finally open due to the Miracle March. If anyone is in the area, they have invited us to join them from some end of season practice. If you think you might be interested, please contact Keith at [keith.haugrud@gmail.com](mailto:keith.haugrud@gmail.com) to coordinate.

## *End of Year BBQ and Raffle Fundraiser*

The end of year BBQ will be at Lotus Park from noon-4pm on Sunday, April 8th (next weekend). We are accepting registration for the event via the eventbrite link below:

<https://www.eventbrite.com/e/buddy-werner-end-of-year-bbq-tickets-44335445511>

Skiers and two family members will be free- if you would like to bring anyone else, please go ahead and register them as guests and we will request a \$5 donation at the BBQ to help cover the additional costs.

We will be serving BBQ hamburgers and cheeseburgers, hot dogs, and veggie burgers. Families are asked to provide one side dish based on the skiers last name. More info is on the eventbrite site.

We need at least one more BBQ- if you have a decent sized portable gas or charcoal grill, please let Kathy know ASAP!

We also need to collect all the raffle prizes BEFORE FRIDAY, April 6! If you are the parent volunteer for your team, please contact Tara or Kathy to arrange a drop off or a pick up.

Kathy Hughes: (916) 501-4983

Tara Mostafi: (530) 401-1884

Team Volunteers are:

Team 1: ShaKay Mack

Team 2: Mary Haugrud

Team 3: Dawn Coker

Team 4: Amy Haydt

Team 5/6: Jennifer Soto

Team 7: Nicole Scroggins

Team 8: Traci Sheehan

We will happily accept anything above and beyond what your team collects- cash cards/cash is also welcome and we can help put a basket together.

This is our one and only fundraiser for the year and it helps us maintain our timing equipment, update race gear and keep our registration affordable from year to year. Last year we made a significant amount of money with our raffle and we hope to do the same again this year. Our program greatly depends on the raffles success to maintain our competitive level of racing and ongoing training.

### *Buddy Werner Board Update*

The Buddy Werner Board helps to plan and execute all of our various activities throughout the year. We meet once a month during the season, generally on the first Monday of the month. Information about our current Board members and upcoming meetings can be found on the website on the [Board and Volunteers](#) page.

We are still seeking nominations for new Board members and will be voting on them during our April Board Meeting. If you think you might be interested – just ask a current Board member for more information! We are filling multiple positions!

### *Volunteer Hours*

Just a reminder that each family must complete fifteen volunteer hours during the season. If you still need volunteer hours, please ask Tara or Kathy how you can help with the BBQ and raffle!

### *One last thing...*

- Share your snaps with us ... If you take fun pictures of our team skiers, or volunteers please email them to [webmaster@bwtahoe.com](mailto:webmaster@bwtahoe.com). We can post them to our Facebook page, website and/or use them for our end of year slideshow.

That's it for this week!
