## **President**

Presides at league meetings and assumes full responsibility for the operation of the local league. The president receives all mail, supplies, and other communications from the Little League International. The president must see to it that league personnel is properly briefed on all phases of rules, regulations, and policies of Little League. The league president is the contact between the local organization and Little League International.

The local Little League® President is the most visible local league position in the program and serves as the chairman of a local league's Board of Directors. An election is conducted annually by the league's recognized voting members to place the league president.

Aside from solid leadership skills, an effective league president will also bring knowledge, experience, and common sense to the position, along with efficient organization and administration abilities. The prospective league president also needs to be willing to dedicate time and energy to guarantee that players, families, and volunteers all enjoy a fun, memorable Little League experience.

The league president is accountable to the local league Board of Directors. Duties of a league president are described within the limits of the rules and regulations, and within the local league constitution, giving each league president the ability to oversee the affairs of all elements of the league.

As the chief administrator, the league president selects and appoints managers, coaches, umpires, and committees' members. However, all appointments are subject to final approval by the local league's

Board of Directors. And league presidents should work together with fellow volunteers to ensure the best decisions are being made for the entire league.

Importantly, the league president is the officer with whom Little League International maintains contact and holds accountable for the entire local operation of your league. The league president also represents the league in the District organization.

The league president should be the most informed officer of the league. The individual must know the regulations under which Little League operates and, in authorizing the annual application for charter, binds all members of the league to faithfully observe the regulations. Little League International reserves the right to take disciplinary action against the league and/or its officers should there be a violation of the terms of the charter application. League presidents are encouraged to work closely with their District Administrators and Little League International staff to provide guidance to avoid any potential situations.

Beyond the requirements of league administration, the league president is also the face of your local Little League program and personify the best public image in reflection to the community at large and all of Little League. Each league president should take an active role in gaining support and winning friends and supporters for the league program.

Additionally, the league president presides over league meetings, and assumes full responsibility for the operation of the local league. Little League prides itself on instilling leadership skills in its players, and the local league president should be the example to guide all participants, **volunteers, and parents on what it takes to be a great leader.**

### **Vice President**

Presides in the absence of the president; works with other officers and committee members; is ex-official member of all committees and carries out such duties and assignments as may be delegated by the President.

### **Secretary**

Maintains a register of members and directors; records the minutes of meetings; is responsible for sending out notice of meetings, issues membership cards and maintains a record of league's activities.

- Records

The Secretary should maintain a roll of membership for the league. This roll will include members of all classes, as defined by your league's constitution. Maintaining the membership will help throughout the year and especially during the annual meeting. This roll will help establish what is necessary to obtain a quorum during membership meetings. The Secretary will also maintain any files, mailing list, or necessary records for the local league.

- Correspondence

Throughout the year, correspondence will need to be sent out from your league. Examples of correspondence can be notifying members of upcoming meetings or notifying member of appointments on committees.

- Minute of Meetings

Minutes of meeting are important in maintaining an accurate history of your league. Accurate minutes will help in seeing when league by-laws or the constitution have been changed. The documentation of general membership meeting and board meetings will help in showing transparency by the local league's Board of Directors.

The League Secretary is responsible for the overall record keeping of the league and help ensure that accurate records are kept and maintained. A complete description of the duties of a League Secretary will be defined in the local league's constitution. The Little League® sample constitution has these duties listed in Article VII, Section 4.

### **Treasurer**

Signs checks co-signed by another officer or director; dispenses league funds as approved by the Board of Directors; reports on the status of league funds; keeps local league books and financial records; prepares budgets and assumes the responsibility for all local league finances.

A local league's Treasurer is a crucial position within its Board of Directors. The Treasurer is responsible for the financial condition of the local league and providing monthly or periodic updates to fellow board members. The individual will prepare financial statements and budgets, including the annual financial report to be submitted to the league's membership. The Treasurer also handles income and expenses of the league and properly tracks and records them. It is a big job, with a very important role in making sure your league operates smoothly, and your volunteers and players have all the support they need.

The Treasurer should not be the same individual as the President, and Little League® International strongly encourages the Treasurer does not have any preexisting relationship with the League President.

### **Player Agent**

The Player Agent is widely considered the second-most important local league Board of Directors position, with the League President being considered the most important. A Player Agent is tasked with overseeing all aspects of the management of playing members of the local league. Separate Player Agents are permitted for separate divisions and levels of play, which allows a volunteer holding this position to also serve as a coach or manager in the league, but NOT in the division in which he/she serves as the Player Agent.

## **Safety Officer**

Coordinates all safety activities; ensures safety in player training; ensures safe playing conditions; coordinates reporting and prevention of injuries; solicits suggestions for making conditions safer; reports suggestions to Little League International through the league president and prepares the ASAP plan for submission to Little League International.

One of the most important Board positions in a local league is the Safety Officer. The Safety Officer has two main functions — education and the development and implementation of a safety plan.

- Education

The Safety Officer is responsible for creating awareness and educating the league on the opportunities to provide a safer environment for children and all participants of Little League®.

Programs should be used to educate players, coaches, umpires, volunteers, and parents on safety and safety procedures. Coaches clinics that teach first aid, proper use of equipment (i.e. pitching machines), and player safety (i.e. pitching limits) are great ways to educate volunteers in the local league.

With proper education, coaches will have the tools they need to keep players healthy and active during the season.

- Development and Implementation of Safety Plan

The Safety Officer will prepare a safety plan each year for the league and make sure that the plan is used. A Safety Awareness Program (ASAP) will be prepared and submitted to Little League International each year. The Safety Officer needs to make sure that this tool is used within the league to help in establishing plans and procedures regarding safety.

Promoting compliance of safety procedures is a key component of the Safety Officer's duties. This is done by establishing and promoting a culture of safety within the league.

Reporting of accidents is a key function here, as it helps Little League International in developing new rules regarding player safety. The reporting of near misses of accidents is also encouraged, as it will help local leagues identify possible areas of concern to include in future ASAP plans.

Protecting children and everyone in the league is the focus. Through the work of the league Safety Officer, creation of a safe environment for all Little League participants can be established and sustained. In return, this will promote goodwill for families that participate in the local league and the community by keeping it safer for all participants.

season games; evaluating league umpires using established guidelines to maintain program integrity; further continual improvement, and prepare league umpires for advancement to tournament levels; communicating with and providing updates to the District Umpire Consultant on the league umpire program, and attending Umpire Training programs at the District, State, Region, and/or Headquarters level.

Receives and distributes coaching information from Little League International and distributes to all coaches and managers.

Great Little League® coaches are essential to ensuring players and parents have a fun, meaningful Little League experience. The Coaching Coordinator is one of the newer Board of Directors positions introduced. This individual should be someone with past coaching experience, but it is recommended that the individual is not a current manager or coach in the league. If multiple coordinators are used, an individual could be a coach or manager and a Coaching Coordinator as long the roles are served in in different divisions.

**A Coaching Coordinator / Division V.P. should be familiar with the following to properly perform the duties of the position:**

1. Little League Rules and Regulations
2. Player Management Duties
3. Training and Education Offerings

**Your league's Coaching Coordinator is also tasked with:**

1. Providing manager and coach training and education each year
2. Implementing a budget to offer training and education
3. Monitoring managers and coaches throughout the year
4. Reporting any roster management issues to the Player Agent

Being a good Little League coach is so much more than providing on-field instruction. It's ensuring that players are learning, growing, and having fun, in all aspects of the game. The Coaching Coordinator ensures that these vital volunteers have the resources they need to make the season a successful one for all participants and parents.

### **Sponsorship and Fundraising**

Solicits and secures local sponsorships to support league operations; collects and reviews sponsorship and fundraising opportunities; organizes and implements approved league fundraising activities; coordinates participation in fundraising activities; and maintains records of monies secured through sponsorship and fundraising initiatives.

Sponsorships and donations from local businesses and organizations help provide the necessary funding for the local Little League® program to thrive. This support provides for lower registration fees from families, promotes local businesses, and brings a greater sense of community to your league.

Create list of local businesses within league boundary and identify owner or manager to contact.

Determine what sponsorship and fundraising opportunities the league will offer, for example:

- Registration sponsor — Hold registration at their venue
- Uniform Sponsor — Sponsor name on team jersey
- Fence sign sponsor
- Program book — Full, half, and quarter page advertisement if the league does a program book
- Opening Day — Recognition during your parade and/or on-field ceremonies

Here are some tips for fostering and developing your potential sponsors:

- Create a sponsorship brochure and donation letter that includes information about the league and funding needs.
- Visit businesses in person to discuss the opportunities to support the league through a monetary or in-kind donation. Also, see if the company encourages its employees to do community service and has anyone who might be willing to volunteer with the league.
- Provide recognition and thanks to those that have sponsored through your league's website, social media accounts, printed materials, public speeches, etc.
- Review and convey [Little League's trademark usage guidelines](#) and what can/cannot be offered to your local league sponsors

As the Sponsorship/Fundraising Manager, it is also important to monitor how the money raised through these efforts is being managed. Maintain records of monies secured through sponsorship and fundraising initiatives, and ensure that all donations to the league are for the general treasury of the league not one specific team.

### **Concession Manager**

Maintains the operation of concession facilities; organizes the purchase of concession products; responsible for the management of the concession sales at league events; schedules volunteers to work

This position is also responsible for presenting the board of directors with a budget for maintaining facilities. This position is also responsible for providing information on facilities improvements.
