

# Five Star Challenge

## Instructions:

- 🏀 Start by shooting five (5) catch and shoot jump shots from the five main spots (corners, wings, and top of the key) rotating in a Star pattern.
  - Each made shot is worth the value of the shot taken
    - If all are three pointers, all are worth Three (3) Points
    - If all are two pointers, all are worth Two (2) Points
- 🏀 Do five rounds for a total of 25 shots.
- 🏀 Add your total points to see how many you made. Try to beat it the next round.
