

# CNY SPORTS Soccer-Bocce

- ⚽ Divide into two teams of one, two or four players each (participants should only include people you are sheltering at home with).
- ⚽ Each participant should have a soccer ball.
- ⚽ A player from Team 1 throws the 'pallino' or other object.
- ⚽ The first player from Team 1 then kicks the soccer ball to get it as close to the pallino as possible.
- ⚽ The participant or team with the closest ball gets one point for each of its soccer balls that are closer to the pallino than the other team's closest ball.
- ⚽ If the two teams' closest balls are an equal distance from the pallino, no points are awarded.
- ⚽ A frame ends after all soccer balls have been kicked and the score has been totaled. The scoring team begins the next frame. If neither team scored, the team that threw the pallino begins the next frame.
