2.01 Each league will form teams through a draft of players from their respective league according to the Official Regulations and Playing Rules of Little League Baseball and Junior League Baseball.

2.02 All rostered players shall be allowed to attend each game. If a team has an oversized roster and they want to have some type of rotation of players who are eligible to play, then a proposal

tothe ILC shall be presented and voted on. In the proposal the number of games should be spread out evenly and the person managing the rotation of games shall be identified (Player Agent recommended).

4.02 Each league has unique issues pertaining to field use and lighting. Check the schedules for start times as the times will vary depending on the host team.

4.03 If a team has fewer than **eight (8)** players at the scheduled start time and the manager believes that more players may arrive, the managers and umpire(s) shall wait a minimum of

fifteen (15) minutes before determining if the game can be played. The team may add a player from the player pool, as outlined in RegV Guidelines for Pool Play.

4.04 **Every effort should be made to play games as scheduled**. In the event a game cannot be played due to the lack of available pool players, weather, or other acceptable reasons (school events, field scheduling conflict, etc.), the home league's scheduler will work with the Intermediate Interleague scheduler to determine an appropriate new date/time

5.02 Pitchers must adhere to the following rest requirements:

9.03 If a game is called (due time, darkness, etc) with a tie score, it shall be recorded in the standings a Tie (½ win, ½ loss).

9.04 The ILC, by majority vote, may determine the outcome of suspended games (a winner may be determined, a tie recorded in the standings, etc). If no approval, the games shall be considered unplayed.

9.05 A forfeit for an interleague game can only be awarded by the ILC. See IL rule 4.04 above. A game that is not played is an unplayed game, not a forfeit (unless determined otherwise by the ILC). Local leagues can award forfeits for intraleague games.
