Reviewed Feb Board meeting minutes. Rob motioned to approve, and Alan seconded.

- 1. Junior Board:** The FIFA tournament was success, but there were a lot of no shows. In the future, we may want to consider having participants prepay. It might also help to schedule the event so that we avoid potential conflicts with high school tryouts.
- 2. Marketing Communications Update:** We have identified several candidates for the Marketing position and are in the process of finalizing a selection
- 3. Fields and Facility Update:** LSP will be discussed during the executive meeting. No other updates
- 4. Fundraising/Networking Event Update:** Provided update on golf tournament; making progress with foursomes and sponsorships.

Rob Harris motioned to adjourn the meeting. The motion was seconded by Mike Fay. The meeting was adjourned at 6:55 pm. The next board meeting will be May 7, 6:30pm at Loudoun Sports Park.
