Regular Season Standings:

Standings are used from the regular season to seed teams into playoffs. During the regular season, teams are awarded three (3) points for a win, one (1) point for a draw, and zero (0) points for a loss. Divisions with teams scheduled to play an uneven number of games (e.g. an odd-numbered-team division, where one or more teams play an additional game), points will be prorated.

In the event of a tie in points at the end of the regular season, the following method will be used to break the tie. If there is a multi-team tie (3 or more teams), proceed to the #2 tie breaker until the multi-team tie is broken. Once a team is eliminated from the tie-breaker, the process repeats until two teams remain, and then the process begins again.

- 1) Winner of head to head competition of the two teams tied.
(Disregard if more than two teams are tied – proceed to #2)
- 2) Most wins
- 3) Goal Differential (maximum 4 per game)
- 4) Fewest number of goals allowed
- 5) Fewest Red and Yellow cards received
- 6) Most shutouts
- 7) Coin flip

Playoff Schedule:

- Games will be played on Saturday June 5th. Times and locations will be announced at a later date.
- Match-ups will be determined immediately following the final game of the regular season.

Rules:

- All rules from the regular season (playing time, goalkeeper rotation, etc.) will be enforced for the playoffs.
- Additionally: any games ending in a tie will proceed directly to [Kicks from the Mark \(penalty kicks\)](#) to declare a winner. No overtime periods are played.
