LEESBURG, VA (December, 2017) – Loudoun Soccer is pleased to welcome D.C. United to Loudoun County, and supports their proposal to develop a training facility and stadium at Philip A. Bolen Memorial Park in Leesburg.

“We have a great deal of respect for D.C. United’s tradition, and are excited about the vision for the future of soccer in our area”, said Loudoun Soccer Board President Mike Harris. “As our local leaders noted today, Loudoun County is a nationwide leader in youth soccer. D.C. United’s presence in our county offers us a chance to extend that leadership.”

Loudoun Soccer looks forward to the opportunity to work with County leadership to ensure that the development plan supports the community’s needs and helps maximize access to soccer for the youth of Loudoun County.
