

Dear Heyworth Youth Supporter,

As Winter seems to drag along forever here in Central IL, we are looking forward to warmer days ahead, and with that comes baseball and softball season! For 2026, we are looking forward to working with our Sponsors for Heyworth Summer Youth League on another amazing year. We have many new and exciting plans in the works to make this the best season yet.

With over 300 Heyworth area youth participating in the 2025 season, we are reaching out to you as a local business to ask for your help in supporting this worthwhile program. The Heyworth Summer league exists solely to foster a positive environment of youth baseball and softball that promotes social, physical, mental, and moral development. Our program is of friendly competition with the goal of educating players about sportsmanship, teamwork, fellowship, courtesy, discipline, and integrity.

Your dollars go to purchase uniforms, equipment, pay umpires and maintain our fields. The Village of Heyworth and the Heyworth School system generously lend the use of their parks, the elementary school field, and we share in maintaining the upkeep. For 2026, our goal is to improve field safety as well as beautify our fields and parks. These items include fence maintenance at both the grade school and Centennial. Continued work on the 4U/6U grass field requires more equipment and a temporary back stop for the season. We are also working on ordering custom backstops to make the fields visually appealing.

We invite you to be a part of the active, successful, and energetic HSYL family and show your support for our community's youth. Your dollars are vital to helping maintain quality summer ball programs for Heyworth.

***If you are interested in being a part of the 2026 season***, we invite you to please fill out the bottom portion of this letter and return it to a HSYL Board Member or mail it to: ***Heyworth Summer Youth League, PO Box 473, Heyworth, IL 61745 by no later than March 9, 2026.***

Thank you for your time and interest in the Heyworth community,
