

Benicia Little League
Annual Non-Refundable Volunteer Fee Policy

HOW IT WORKS

The annual volunteer fee Benicia Little League collects is non-refundable. This \$200-per-family fee we collect will continue be used for expenses during the current season and investments for future seasons. This fee is separate from the Player Registration fee.

There is a build-in incentive for those families who volunteer year-after-year. For example: First-time families will always be required to pay the \$200 volunteer fee. Those families who paid the first year in the league and have met their volunteer requirement of ten (10) hours, we provide a volunteer waiver code. This code is used to eliminate their volunteer fee when registering the following year.

Waiver codes are distributed by email to those eligible families when registration opens the following year. If there are questions about receiving the code, please contact info@benicialittleleague.com.

NOTE: Volunteer commitment is considered fulfilled in continuous years. For example, a family who participates, pays and fulfills volunteer hours in the 2020 season and does not return in the 2021 season CANNOT claim volunteer waiver code if they return for the 2022 season. They will be required to pay the volunteer fee again.

Benicia Little League is a volunteer driven organization, and nothing happens without your support. We want to reward the families who meet their commitment and consistency with a waiver code that eliminates the fee during the following season registration.

Benicia Little League does not have a volunteer requirement in our oldest (Seniors) age division (15/16).
