

The Avon Junior Athletic Association fields, located at 866 South County Road 625 East, has been owned and operated by AJAA since 1970. With each year, our park requires significant modernization and maintenance to continue with our organizational needs. It has required significant analysis and planning by our Board of Directors to ensure we are fiscally responsible to our organizational members, but also providing a safe environment for play for our youth athletes.

In 2019, a 5-year strategic plan was launched to share with our families on the visual and conceptual plans of modernization. These plans included the following improvement efforts:

- Parking lot relocation to add spaces and increase safety
- Improving playing field layout and condition
- Expanded restrooms to handle the volume of visitors
- Updated concessions to allow an expanded menu safely
- AJAA offices move to fields to allow more accessibility
- Improved conference area for program meetings and drafts

We, at AJAA, are excited to continue to move forward with our efforts to offer the best experience for our youth athletes. Keeping program pricing stable over the past several years has been a goal of the AJAA leadership. We strive to find other means for our athletes in the form of sponsorships or donations for AJAA, but this results in about 2-3% of our income here at AJAA. We are pleased to announce that we have not raised pricing for 5-6 years at AJAA. Prior to 2020, our athletes were required to participate in fundraising efforts and we found this difficult to plan for things such as renovations or field maintenance projects. As a community, we must all rely on each other to create the best community for our members. For this reason, AJAA has an annual Family Membership Fee of \$50 per family and has foregone the requirement of fundraising efforts on our families. However, those who do have an interest in continuing to fundraise for the organization will be rewarded! As well, volunteer credits have increased as of 2022. Below, you will find the criteria for utilizing credits to offset any future registration or family fee expenses. Credits are applied at the end of each playing season in the form of coupon codes to be used towards your future registrations!

Head Coach of a Recreational Team: \$75.00

Head Coach of a Travel Team: \$100.00

Assistant Coach (2 Per Team): \$40.00

Sports Commissioner: \$150.00

Serve on a Sports Committee: \$50.00

AJAA Board of Directors: \$50.00

Baseball/Softball Gameday or Rain Crew: \$20.00

Trash Bag Fundraisers: \$2.50/roll sold

AJAA is excited to reward those who get involved to help us improve our facilities and provide a higher quality experience! We thank you for participating with AJAA!
