# ATHLETIC CODE OF CONDUCT

**Avon Youth Sports (AYS) Mission:** To provide high quality athletic programming and instruction for youth athletes to develop physically and mentally by encouraging growth in teamwork, effort, skill, sportsmanship, and character.

This AYS Athletic Code of Conduct has been prepared as a guide to the expectations of AYS. This policy applies to all parties involved or present at AYS events, regardless of their role or affiliation. The Code of Conduct is to be read and understood by all coaches, assistant coaches, managers, players, and parents.

The Town of Avon, Indiana Sports supports youth sport activity that is governed by a strong sense of individual and team sportsmanship. Value and emphasis on sportsmanship, character building, and positive conduct are a requirement of our athletic participants. Persons unwilling to abide by this Code should reconsider their involvement in AYS activities.

## **Principles and Expectations:**

- AYS believes in the principles of fair play, ethical behavior, and the right of every individual to fully enjoy sport without undue interference from others.
- AYS recognizes competitive sport activities are a source of strong feelings which may lead to misunderstandings, disagreements, and other related conflicts.
- AYS believes that every participant has a requirement to respect the right of competitors to hold conflicting points of view or opinions.
- AYS expects its coaches, players, referees, families, and spectators to deal with conflicts in a positive and respectful manner, with focus on good sportsmanship.
- AYS expects its coaches, players, referees, families, and spectators to cooperate in promoting the enjoyment of sports, over the victory of any game, to the greatest extent possible for the development of the player.
- AYS expects adherence to both the spirit and the letter of its rules of the Game. Illegal, unfair, rowdy, violent, dangerous, and unsportsmanlike behavior will not be tolerated, whether on the field of play, over social media, or any place away from the playing area.
- AYS expects all participants to show respect for players and opponents, regardless of their skill.
- AYS expects most activities to involve children from a very young age. Children are influenced by the behavior of adults, so adult participants will be held to the very highest standards of conduct.
- AYS discourages demonstrations and protests which may disrupt or disturb other members or delay the start of organized play.
- AYS will not permit any player or volunteer registered for a program to play with pending or previous criminal charges. Releasing a player during a program season due to pending charges will forfeit any refunds.

# SAFE PLAY POLICY

AYS desires safe play for all athletes on and off the field. Below, you will find a list of protocols concerning injury and illness. It is the parent's/guardian's responsibility to adhere to these guidelines to keep his or her player, and the player's family, safe.

## **Illness**

- If your player is showing any symptoms of illness, they should be excluded from play and stay home.
- If someone in your household is sick, it is best that you do not send your player to practice or games if the ill person is contagious.
- If anyone in your household has been diagnosed with a communicable disease, you should contact the Hendricks County Health Department on guidance for quarantine.
- Any communicable illness, such as COVID-19, that is diagnosed in an AYS household should be reported to the AYS office for keeping records and possible contact tracing.
- Any player suspected of being symptomatic without a report may be subject to removal for the season.
- Any communicable illness, such as COVID-19 that has not been reported to the AYS office that is subject to contact tracing may be considered grounds for removal for the season.
- Player roster information may be shared with Hendricks County Health Department, upon request, for contact tracing.
- Parents should communicate with the head coach of the player's team, as well as the AYS office, if there are reasons listed above for exclusion from play.
- If a player is symptomatic during a season, they must self-quarantine based on Health Department guidelines or produce a negative test result prior to return to play.

## **Injuries**

- Injuries should be reported to the head coach immediately, as well as the AYS office.
- A player who suffers an injury will need a full medical release before returning to play.
- Any release containing limitations on practice or play must be followed by a full release to eliminate the restrictions laid out in the original release.
- In the event of a head injury, it is preferred that a sports medicine doctor with specialty in head injuries treat the player to reduce the risk of re-injury.
- All releases are subject to review and verification by AYS office.
- Players participating in collision sports must sign a waiver for treatment, and a consent to treat form by athletic trainers with our partners at Hendricks Regional Health.
- Physical limitations and pre-existing conditions
- Any physical limitations or pre-existing conditions should be reported to the head coach and the AYS office.
- Certain limitations may prevent players from participating in programming without express written consent from a physician.

# EMERGENCIES

## **Emergencies Requiring First Aid: How to Respond**

During sporting events, the coaching staff is responsible for administering first aid to any ill or injured AYS athlete, unless an AYS affiliated athletic trainer is present. If an AYS affiliated athletic trainer is present, they will assume responsibility for care and for all return to play decisions. The coach must follow the training protocols they have been instructed on.

The first responder to the situation needs to be the highest certified and trained person on site where the injury occurs. The first responder will most often be the specific team Head Coach, although other personnel may fill this role if their certification and training is greater than that of the Head Coach (i.e. if the bystander is a Certified Nurse, Emergency Medical Technician, Doctor). It is vital that first responders keep the environment calm so that athletes don't panic. Coaches should also make sure they complete all the steps on the First Aid Checklist below. By following this procedure, coaches allow medical personnel to easily respond to the scene and help care for the athlete.

### **First Aid Checklist**

- 1. Check the surroundings for safety hazards and stop all activity near the emergency.**
- 2. Check the injured athlete's injury and determine a plan of action.**
- 3. Do not move the athlete if there is a possibility of head or neck injury or if the athlete is unconscious.**
- 4. Have someone contact a parent/guardian. Some cases may also require 911 to be contacted. Coaches should use their training to properly judge the severity of the situation.**
- 5. If EMS responders determine that the athlete is in an emergency, a coach can transport the injured athlete.**

### **Emergency Phone Number: (317)671-0075**

*Please utilize this number only in the case of an emergency.*

### **Incident Reports**

In the case of any incident requiring first aid, an incident form must be completed within 24 hours. This incident form is available on the AYS website and included in your coaching handbook. Incident reports need to be completed by a person who witnesses the situation unfold and not by someone who arrived after the incident occurred. If no witness is available to provide a detailed account of the situation, then AYS will allow the individual who experienced the situation to complete the incident report and will allow a time extension on a case-by-case basis.

**AVON**

# INCIDENT REPORTS

**AYS' Incident Report Form is used to properly record any incident that occurs when utilizing the AYS property, during games/practices, and/or any other reporting that should be noted to the organization's administration. It is extremely important to report any and all incidents, so that proper documentation and details may be recorded promptly. This is helpful to report accidents to our insurance carrier for liability purposes, to accurately document any incidents with all witness details, to watch for any future occurrences, and to know when management needs to help facilitate an issue, etc.**

**Examples of when to use this form:**

- **When a player is injured during practice or games**
- **When an altercation happens between players, parents, coaches, umpires, or any event that should be documented for witness purposes.**

**Please know that all documentation is extremely important to ensure that all details can be recorded accurately and helps for our leadership to continue to be in the know during all activities.**

**Upon completion of the form, please immediately take to the AYS office or email [sports@avonindiana.gov](mailto:sports@avonindiana.gov).**
