Meet our Flag Football Commissioner!

TOWN OF AVON

About me:

I grew up in Avon, participated in AJAA (now Avon Youth Sports) Leagues as a child, and am a graduate of Avon High School. My wife and I raise our 2 children here in Avon and we love being involved in our community. Our daughter participated in AJAA (AYS) Volleyball and Basketball and our son currently plays in the Football and Basketball leagues. I knew I wanted to be involved with this great organization and I hope to make a positive impact on our community by serving through AYS. I have a background in many leadership roles and currently serve my community as a Licensed Realtor. I believe that sports create great opportunities for our children to learn and grow such as team building, organization, and focus. I am excited to have an opportunity to be a part of such an amazing organization right here in my very own community!
