Smith

About me:

My wife Sarah and I have been married for 20 years and have lived in Avon since 2003. We have 4 kids that all have played and are continuing to play with AJAA / Avon Youth Sports including flag football, football, baseball, basketball, and volleyball. I graduated from the University of North Texas with a Bachelor's Degree in Education. I have been coaching at AJAA/ AYS since 2006 and have enjoyed meeting so many good people. This will be my sixth year coaching basketball and my first year as Commissioner. I'm really looking forward to the challenge. Since 2009, I've been a Market Development Director for Equipment Technologies working in agriculture. I am looking forward to a great season!

Meet our
Middle School/High
School Rec. Basketball
Commissioner!

TOWN OF AVON
